## ARMY OF U.S. REPORTERS TO MEET AIRMAN

Reception at Washington For Lindbergh Prepared For Tomorrow Unprecedented

He Will Meet First of Newspaper Men 100 Miles Out at Sea

Washington, June 10.—Probably never before in history have United States press associations and newspapers made such elaborate arrangements for reporting an event as they have for covering the return to this country of Col. Charles A. Lindbergh and his official reception by President Coolidge.

Long before the cruiser Memphis reaches the Virginia Capes, an army of journalists, feature writers and just plain reporters will swing into action with its ranks augmented rapidly as the warship passes up the Potomac and finally delivers her hero to the official reception committee at the Washington Navy Yard.

TO MEET AT SEA  
The vanguard of this army will fly 100 miles to sea in naval planes to meet the Memphis and then wing their way back to land to report the reception there of the flier by his fellow aviators of the United States army and navy.

Still other aviators will speed out into the Atlantic in destroyers to add their output of the flier by his fellow aviators of the United States army and navy.

PLANES TO FOLLOW  
There will be more newspaper men to board the Memphis inside the capes and still more others to follow her up the bay in seaplanes and aeroplanes.

Nearly 500 men and women make up the Washington corps of newspaper correspondents. Some of these will fly down the Potomac to meet the Memphis, others will go in coastguard naval and other craft, but there will be still an army left to report the official reception and movements of the aviator in the capital before the Memphis noses her way into the Annapolis river, press association men will be at the navy yard with direct telephone wires opened to their desks to flash the arrival and to dictate the running story of the reception there.

French Chamber Rejects Long-term Monopoly Agreement With Swedish Firm

Paris, June 10.—Premier Poincaré lost his parliamentary fight to put France's match monopoly on a profitable business basis when the Chamber of Deputies today, after a week's debate, rejected the proposed long term concession to the Svenska Corporation of Sweden. The vote was 360 to 244.

The defeat, although regarded as politically significant, does not involve the life of the Government, as the Premier repeatedly refused to make the question one of confidence. He had served notice on the Chamber, however, that rejection of the proposal would seriously impede his efforts toward financial rehabilitation.

## DAYLIGHT SAVING MADE PERMANENT RULE IN MEXICO

Mexico City, June 10.—Permanent daylight saving time became effective in Mexico at 11 o'clock last night. By governmental decree all clocks were set forward one hour, to remain that way for all time.

TROOPS AT TIENTSIN  
Tientsin, June 10.—The second battalion of the British Border Regiment arrived here today, strengthening the forces here for the protection of the foreign population. Crowds of Chinese gathered to watch the soldiers as they marched to their quarters in the British concession.

## 400,000 ACRES IN THE MISSISSIPPI VALLEY FLOODED

New Orleans, La. June 10.—Four hundred thousand acres have been reflooded by the second rise passing down the Mississippi River. Henry M. Baker, Red Cross director of disaster relief, said today.

CONFEDERATION POSTAGE STAMPS ARE NOW PRINTED

Ottawa, June 10.—The special issue of postage stamps which is to commemorate the sixtieth anniversary of Canadian Confederation is now being printed and will be available before July 1, according to an announcement by Hon. P. J. Veniot, Postmaster-General.

WOMAN WISHES TO FLY ACROSS OCEAN  
Thea Rasche, German, to Make Atlantic Attempt if Given Aeroplane

Hamburg, Germany, June 10.—Thea Rasche, Germany's only licensed woman pilot, is willing to be the first woman to attempt a Transatlantic flight, provided somebody gives her an aeroplane.

ATLANTIC AVIATORS TO PAY HOME VISIT  
Chamberlin and Levine Hope to See Capital of Italy

Berlin, June 10.—Clarence D. Chamberlin and Charles A. Levine, New York-Germany airmen, hope to visit Rome before they return to the United States.

SIXTEEN HORSES KILLED IN WRECK  
Smash Near Alsask, Saskatchewan

Calgary, June 10.—Three race horses and thirteen work horses were killed, seven were so badly injured they may have to be destroyed, and six men were injured in a train wreck on the Canadian National line three miles west of Alsask, Sask., about 11 o'clock last night.

De Pinedo Crew Continues Flight  
Horta, Island of Fayal, Azores, June 10.—Commander Francesco de Pinedo, Italian long distance aviator and his companions, left here in their seaplane at 6.15 o'clock this morning for the spot several hundred miles off the Azores, where they were forced to descend to the ocean while flying from Newfoundland to the Azores. Upon reaching that spot they will return and make for Ponta Del Gada, Azores, to refuel and then continue on to Italy. They are doing this to retain the continuity of their four-continent flight.

## HAS STAMPS FOR CANADA'S JUBILEE YEAR PRINTED

HON. P. J. VENIOT  
Postmaster-General

cent stamp, in a green color, will carry the famous picture of the Fathers of Confederation. The three-cent stamp, in red, will bear a picture of the Centre Block of the Parliament Buildings. The five-cent stamp will be purple and will show the head of Sir Wilfrid Laurier. The twelve-cent stamp, in blue, will carry a miniature map of Canada. The twenty-cent stamp will be of a red color and will show the progress, in five stages, of mail transportation in Canada.

PEKING CHIEFTAN STATES HIS POSITION  
Chang Tso-Lin Says He Will Make No Truce With Communism

London, June 10.—Marshal Chang Tso-Lin, Manchurian warlord, is quoted by the Peking correspondent of The London Daily Express as saying in an interview there must be an agreement between the North and the South, "for the sake of peace in China, which must come soon."

ATLANTIC AVIATORS TO PAY HOME VISIT  
Chamberlin and Levine Hope to See Capital of Italy

Berlin, June 10.—Clarence D. Chamberlin and Charles A. Levine, New York-Germany airmen, hope to visit Rome before they return to the United States.

SIXTEEN HORSES KILLED IN WRECK  
Smash Near Alsask, Saskatchewan

Calgary, June 10.—Three race horses and thirteen work horses were killed, seven were so badly injured they may have to be destroyed, and six men were injured in a train wreck on the Canadian National line three miles west of Alsask, Sask., about 11 o'clock last night.

De Pinedo Crew Continues Flight  
Horta, Island of Fayal, Azores, June 10.—Commander Francesco de Pinedo, Italian long distance aviator and his companions, left here in their seaplane at 6.15 o'clock this morning for the spot several hundred miles off the Azores, where they were forced to descend to the ocean while flying from Newfoundland to the Azores. Upon reaching that spot they will return and make for Ponta Del Gada, Azores, to refuel and then continue on to Italy. They are doing this to retain the continuity of their four-continent flight.

## BORDER LAW HURTS CANADA

Commerce Chamber Seeks Suspension of U.S. Immigration Regulations

Resists Restrictions on Canadian Residents Working in United States

Support of the Victoria Chamber of Commerce to the effort of the Canadian Chamber of Commerce to secure the suspension of new U.S. immigration regulations adding restrictions to travel from Canadian border provinces to the United States was sought in a telegram from W. McLeod Clarke, read at the meeting of the directors of the Chamber today.

As a member of the executive of the Canadian Chamber of Commerce, C. P. W. Schwenger received the wire which said it was thought the operation of these regulations would be to the detriment of Dominion-wide interests, especially at all border points. It was suggested that the Canadian Government must be asked to make further representations to Washington with a view of having these regulations suspended pending a conference between the two countries.

Vancouver Smoke Prosecutions End  
Vancouver, June 10.—Withdrawal of smoke by-law prosecutions against Vancouver Lumber Company and the Pacific Box Company was authorized by the civic board of works here this morning at a special meeting following a lengthy discussion of the smoke problem.

EARTH SHOCKS IN VIRGINIA TO-DAY  
Charlottesville, Va., June 10.—Earthquake shocks severe enough to awaken many residents were felt here today. They were recorded on the seismograph of the University of Virginia, starting at 2.16 a.m.

NO RUSSIANS AT BIG POULTRY CONGRES  
Ottawa, June 10.—Owing to the severance of diplomatic and trade agreements by Great Britain with Soviet Russia and the similar action taken by Canada, Russia will not be represented at the World's Poultry Congress here. Information to this effect was received at Congress headquarters today.

FRENCH CABINET IS UPHELD ON VOTE  
Paris, June 10.—Premier Poincaré won a vote of confidence in the Chamber of Deputies, 370 to 148 today on the Government's programme of stern repression of radical activity in France.

SIXTEEN HORSES KILLED IN WRECK  
Smash Near Alsask, Saskatchewan

Calgary, June 10.—Three race horses and thirteen work horses were killed, seven were so badly injured they may have to be destroyed, and six men were injured in a train wreck on the Canadian National line three miles west of Alsask, Sask., about 11 o'clock last night.

De Pinedo Crew Continues Flight  
Horta, Island of Fayal, Azores, June 10.—Commander Francesco de Pinedo, Italian long distance aviator and his companions, left here in their seaplane at 6.15 o'clock this morning for the spot several hundred miles off the Azores, where they were forced to descend to the ocean while flying from Newfoundland to the Azores. Upon reaching that spot they will return and make for Ponta Del Gada, Azores, to refuel and then continue on to Italy. They are doing this to retain the continuity of their four-continent flight.

## MEMORY OF VOIKOFF, MURDERED RUSSIAN, HONORED BY POLAND

Body of Assassinated Soviet Minister Taken From Warsaw to Moscow

Strong Guards of Armed Troops in Warsaw Streets During Procession

Warsaw, June 10.—Poland rendered high honors in memory of the assassinated Soviet minister to this country, Peter Voikoff, as the body was taken today from the Soviet Embassy to the railway station to be placed aboard a special train for Moscow.

STRONG ARMED GUARD  
The cortege today was preceded by three companies of Polish troops, two squadrons of cavalry and two battalions of artillery. There followed two cars loaded with wreaths and flowers, mostly from Labor and Communist organizations, all bound with red ribbons. Some of these bore inscriptions such as: "To the victim of the Anglo-Polish imperialism."

NEWS NOT EXPECTED  
London, June 10.—British officials were shocked today by the announcement in Moscow of the execution of twenty persons charged with Anti-Soviet activities, including the former British minister to the Soviet Union, Sir Basil Blackett.

RUSSIANS ARREST POLISH OFFICER  
Minor Clashes Along Russian Soviet-Polish Boundary Line Are Reported

London, June 10.—Reuter's Warsaw correspondent says petty incidents on the Soviet-Polish frontier are causing much comment in the Polish press. A high police officer named Radzowski, while on a tour of inspection near the border, crossed a few yards into Soviet territory and was immediately arrested. The Polish Government has demanded his release.

Reichsbank Raises Its Discount Rate  
Berlin, June 10.—The Reichsbank today raised its discount rate from five to six per cent. The rate of interest on advances remained at 7 per cent.

Dark Japan is First Horse in Manchester Race  
Manchester, June 10 (Canadian Press Cable).—Aga Khan's four-year-old colt Dark Japan won the Manchester Cup Handicap today by five lengths from Bol Joell's Pantera. Mrs. G. H. Drummond's five-year-old Seradella was third, a head behind Pantera. Seven other horses finished the race.

Prices of Corn in U.S. Fall  
Chicago, June 10.—Corn tumbled down nearly six cents a bushel in some cases on the market here today. The July delivery at one time touched as low as 24 1/2 cents a bushel as against 28 1/2 to 29 cents at yesterday's finish. The big drop in values was ascribed chiefly to rapid progress which is now being made in corn planting.

## TORY WIN PUTS PARTIES BACK TO OLD PLACE

Government Retains Big Margin Over Opposition, Despite Adverse Okanagan Result; Ample Majorities Assured; Poll Has No Provincial Effect, Says Hon J. D. MacLean

Defeat of Dr. K. C. MacDonald, Liberal, by W. F. Kennedy, Conservative, in the North Okanagan by-election yesterday, will not affect the life of the Provincial Government, Cabinet Ministers declared today, as they surveyed the result of the poll. With Mr. Kennedy in the Legislature the situation is precisely what it was before the last session when the Government received emphatic majorities.

MINISTER DECLINES TO LEAVE BELGRADE  
Albanian Spokesman in Yugoslavia Does Not Obey Order From Home

Belgrade, Yugoslavia, June 10.—The Albanian Minister to Yugoslavia has been instructed by his government to withdraw from the capital, it was stated definitely here today.

NEWS NOT EXPECTED  
London, June 10.—British officials were shocked today by the announcement in Moscow of the execution of twenty persons charged with Anti-Soviet activities, including the former British minister to the Soviet Union, Sir Basil Blackett.

**ENGLISH CRICKET**

London, June 10.—The terrific hitting of Hendren for Middlesex in that county's match with Essex at Leyton, was the feature of the English cricket match yesterday. Hendren scored 201, not out, by dashing play. Other fine innings were those of Jardine, Surrey, 147; Cook, Sussex, 131; Jupp, Northants, 116; Lackson, Derby, 134, and the two New Zealanders, Lowry, 100 and Page, 141, not out.

Scores yesterday were:  
Middlesex 428 for eight wickets declared; Essex 181 and 112 for seven wickets.  
Leicester 161; Surrey 307; Leicester 150 for four wickets.  
Lancashire 251; Sussex 442. Lancashire, six runs for one wicket.  
Yorkshire 358; Warwickshire, 229 for four wickets.  
Gloucester 289; Nottingham, 327 for nine wickets declared. Gloucester 141 for three wickets.  
Somerset 135; Derby 313; Somerset 188 for four wickets.  
Northants 125; Kent 200. Northants 318 for eight wickets.  
New Zealanders 276; Worcestershire 222; New Zealanders 349 for five wickets declared; Worcester thirty-one for two wickets.

London, June 10.—The New Zealanders won from Worcestershire by 194. New Zealand, 276 and 349 for five wickets; Worcester, 222 and 209.

**Frederick G. Eaton Takes Miss Caroline Wright For Bride**

Lady Smith, June 10.—A wedding of interest to many friends was solemnized this week at the home of the bride's parents in Cassidy when the Rev. P. R. Kelly united in marriage Miss Caroline Wright, eldest daughter of Mr. and Mrs. J. Wright, and Frederick George Eaton, only son of Mrs. L. Eaton of Victoria. The bride, who was given in marriage by her father, looked lovely in a French model gown of white satin trimmed with sequins and pearls with which she wore a veil held in place with a wreath of orange blossoms, and carried a shower bouquet of bridal roses and carnations. The bridesmaid, Miss Sylvia Wright, sister of the bride, wore a pretty gown of turquoise blue crepe de Chine, trimmed with silver and carried a bouquet of carnations and sweet peas. Little May Wright made a winsome flower girl, wearing a frock of peach organdie. She carried a basket filled with white carnations and rose petals, which she strewed in the path of the bride party when leaving the drawing-room. The groom was supported by Tray Hodgson of Victoria. During the signing of the register Mrs. P. R. Kelly sang "I Love You." The bride's mother received the many guests, attended in a becoming gown of black Canton crepe trimmed with rose and gold and hat to match. The wedding was celebrated with a three-tier wedding cake decorated with silver candlesticks with pink candles, sweet peas, pink tulle and satin streamers. Presiding at the urns were Mrs. G. F. McColl and Mrs. J. Gilchrist, assisted by the Misses Margaret and Winnifred Lawson, Winnifred Young, Mary Orr and Jean and Daisy McLachlan. Later Mr. and Mrs. Eaton left for Victoria, where they will reside.

**Archaeologists In Palestine Make Interesting Finds**

Jerusalem, June 10.—A large, four-handled earthenware pot containing the remains of food, was left in the ash of a fireplace when the inhabitants departed 2,500 years ago, among the finds of Professor Wilhelmsen, head of the Mispah Expedition of the Pacific School of Religion, in an investigation of the site of the city of Tel-El-Nisbeh, seven miles north of Jerusalem.

Besides the pot, he found a broad trough and a wine glass in an exceptionally well-preserved Israelite house unearthed in Tel-El-Nisbeh.

**\$700,000 INVOLVED IN SUIT IN U.S.**

Seattle, June 10.—Charges that officers of the Brotherhood Investment Company of Cleveland, Ohio, have "looted" its subsidiary, the Pacific Brotherhood Investment Company, of more than \$700,000 to develop a real estate enterprise at Venice, Florida, for their personal gain and advantage, were made in superior court here yesterday.

The accusations were contained in an answer filed by the Superior Service Laundries Inc. to a petition of the Pacific Brotherhood Investment Company, for a writ of mandamus to permit the investment concern, as a stockholder, to examine the books of the laundry company.

Retaining the petition, the laundry concern declares it was filed in bad faith and with no honest desire.

Instead, the answer says, the action of the Coast Investment Company "is simply part of a conspiracy entered into by Henry E. Gass, George T. Webb, L. O. Griffing and W. B. Prenter, to gain personal control of a group of institutions in violation of the trust imposed in them as stock officers."

**PRESIDENT REINSTATE**

Cass, who retired as president of the Pacific Brotherhood Investment Company on April 20 last, has since been reinstated, the answer says. Webb is named as vice-president of the Cleveland parent organization and Griffing and Prenter are referred to as officers of the Cleveland company.

The alleged "looting of the coast subsidiary" started, the answer says, when Webb, Prenter and Griffing at Cleveland, Ohio, mentioned their personal representative on the Pacific coast, caused \$700,000 in the coast company's assets to be illegally transferred to the Cleveland organization to meet the latter's obligations in the Florida land development.

**CHARGES DECLARED FALSE**

San Francisco, June 10.—Leander L. James, general counsel for the Pacific Brotherhood Investment Company, announced as false charges made in Seattle, Wash., that the Pacific company and the Brotherhood Investment Company of Cleveland, Ohio, were insolvent.

The charges were made in an intervention suit filed by 500 employees of the Seattle branch of Superior Service Laundries Inc. a chain institution. The various organizations are enterprises of the Brotherhood of Locomotive Engineers.

**TRADES UNION BILL**

To the Editor:—An editorial in Thursday's Times quotes Mr. Steed, a former editor of The London Times as saying, in reference to Clause 1, that if the bill had been in operation before the last British general strike "there would not have been room in the prisons for all who would have been guilty of an infraction of this clause, not enough bailiffs to detain them for all the payments of fines, etc." How does he know how many would have been guilty of an infraction? When the general strike was ordered to help the miners' total satisfaction, there was great dissatisfaction, but the penalties for disobeying the order were so severe and the time so short that they had no option.

The bill wipes out this intimidation: "Trade unionists who refuse to take part in such a strike are protected against trade union expulsion or penalties." If further evidence were needed as to the unwillingness of the workers to go on strike it is found in the records of the general strike itself. After the first three days, during which the non-union workers snapped up every job available, naturally, 85 per cent of the workers applying for jobs were union men, men who had left their jobs under protest, but who got another job as soon as the eye of the so-called labor leader was off them.

Unfortunately for the labor movement, thousands of them chose the railroad "and transportation, made good, and the result is 40,000 regular employees of the railroad out of work to-day, and existing on the dole. Mr. Steed may eliminate, right off the bat, 40,000 who will not go to jail for joining a syndicate, but he will recall how the strike committee, as a last desperate resort, ordered out 75,000 ship workers, and not a man left his job. The strike was over. The workers took just eight days to get wise. Mr. Steed may take longer.

**J. A. CURRY IS NEW POLICE PRESIDENT**

Windsor, Ont., June 10.—Chief John A. Curry, Niagara Falls, N.Y., last night was elected president of the International Association of Chiefs of Police at the closing session of the chief's convention here.

Chief Daniel Thomson of Windsor, Ont., was elected vice-president. Colorado Springs, Colo., was selected as the meeting place for the 1928 convention.

**SCHOOL CRICKET**

In yesterday's school cricket matches, the Oak Bay High School defeated the University School by 97 to 51, and Brentwood College whipped the Tracy-Vernall eleven by 133 for seven wickets, to 33.

Brentwood won the Gillespie Shield as a result of their victory.

The scores were as follows:

**OAK BAY HIGH SCHOOL**

Reid, c. Begg, b. Phillips	0
Bachter, b. Tisdall	6
Brandon, c. Tisdall, b. Phillips	0

**WHATIZIT?**—Police are up in the air about the contraption which William Nichols of the Massachusetts Institute of Technology drives through Boston. The state can't give it a license, and still it has a motor—a one-cylinder affair that chugs along with the chime, yet he doesn't know what it really is. His feet stuck out in front, as he leans back clutching a small cross bar, Nichols takes the countryside by surprise.

**Other People's Views**

Letters addressed to the Editor and intended for publication, must be short and legibly written. The longer an article the shorter the chance of its appearing. Communications must bear the name and address of the writer, but not for publication unless the writer wishes. The publication or rejection of articles is a matter entirely in the discretion of the Editor. No responsibility is assumed by the paper for MSS. submitted to the Editor.

**ONTARIO GOLF**

Burlington, Ont., June 10.—For the fifth time in six years Miss Ada MacKenzie of the Toronto Ladies' Club and Mrs. Gordon Ferrie of Hamilton will meet in the final for the Ontario Ladies' Golf Championship to-day.

Miss MacKenzie yesterday eliminated Miss Cecie Smith of York Downs, 8 and 7, while Mrs. Ferrie defeated Mrs. P. J. Mulqueen of the Toronto Golf Club, 6 and 5.

Toronto, June 10.—The qualifying round of the fifth annual Ontario Amateur Golf Championship at the Rosedale Club attracted the record number of 145 starters.

The best score of the day was turned in by Jack Cameron of the Mississauga Club, who had 74, while Fred L. Lyon, another of the younger players, was second with 75, and H. Borthwith of Islington and Ross Somerville of London, Canadian champion, tied for third place, three strokes behind the leaders.

**Children's Training Now Too 'Hi-faluting'**

By OLIVE ROBERTS BARTON

When I was little there were no psychologists, no psychoanalysts, and no psychiatrists. Anything that began with two syllables to those, in those days, was something to be feared and interpreted as some new kind of rolling stock.

The harbinger of these later arrivals was the phonologist, who felt bumps on a child's head and told the anxious parent whether he might expect a horse thief or a president in the family when this young hopeful reached maturity.

Some of the hopefuls did turn out

**CHURCH TO INCREASE ENDOWMENT FUND**

Kelowna, June 10.—Organization of the Laymen's Order in the Anglican Diocese of Kootenay at the closing session of the biennial synod here today and its acceptance of the task of gradually increasing the bishopric endowment is one of the accomplishments of the synod.

A. Waring Gies of Vernon is chairman and temporary secretary-treasurer and the temporary executive committee consists of Judge G. H. Thompson of Cranbrook, Fred Irvine of Nelson and W. J. Coe of Winfield.

The present endowment is \$54,000, and if it is brought to a basis to yield at bond interest what the British Columbia and Yukon Church Aid Society regards as the minimum income a bishop in this province should have and toward which it will contribute, it will have to be raised to \$90,000.

**CANON APPROVED**

A canon submitted from the Provincial Synod respecting the office and duties of the Metropolitan was approved, with the omission of an expression that was deemed to create a doubt as to the line of demarcation between the duties of the Metropolitan and of an administrator, by authority of the diocese in regard to episcopal acts. Striking out of the expression "in acts other than episcopal" leaves the sense of the canon that the Metropolitan shall in no case act in contravention of any canon of a diocese.

**Tilden Drops First Set to Irishman to Surprise of Crowd**

Dublin, June 10.—Fresh from France where they participated in the international hard court championships, William T. Tilden and Francis T. Hunter, American tennis stars, yesterday resumed their inter-country tournament, scoring two victories in the first matches of their invasion of Ireland.

Tilden, who lost the hard court singles championship to Rene Lacoste last Sunday at St. Cloud after a five set struggle, defeated the Hon. Cecil Campbell, 6-3, 6-3, 6-1, 4-2. Hunter defeated Dr. E.D. McCrae, 6-3, 4-6, 6-4, 7-5.

The courts at the Fitzwilliam Lawn Tennis Club, where the matches were played before a large crowd, were rather soft for fast play.

Campbell, who is the son of Lord Glenavon, chairman of the Free State Senate, surprised the gallery by capturing the first set, 6-3.

**Ontario Golf**

Burlington, Ont., June 10.—For the fifth time in six years Miss Ada MacKenzie of the Toronto Ladies' Club and Mrs. Gordon Ferrie of Hamilton will meet in the final for the Ontario Ladies' Golf Championship to-day.

Miss MacKenzie yesterday eliminated Miss Cecie Smith of York Downs, 8 and 7, while Mrs. Ferrie defeated Mrs. P. J. Mulqueen of the Toronto Golf Club, 6 and 5.

Toronto, June 10.—The qualifying round of the fifth annual Ontario Amateur Golf Championship at the Rosedale Club attracted the record number of 145 starters.

The best score of the day was turned in by Jack Cameron of the Mississauga Club, who had 74, while Fred L. Lyon, another of the younger players, was second with 75, and H. to be horse thieves, perhaps, but some of them turned out to be presidents. You may have noticed that as this classed as "Fairy Bells" Canadians are taking a great interest in the new organization.

**"TIZ" FOR TENDER SORE, TIRED FEET**

Just put these weary, shoe-crinkled, aching, burning feet into a Tiz bath. When your feet ache and burn, Tiz, and only Tiz, will bring relief.

Tiz is grand, glorious for tortured feet. It draws the swelling and poisons and acids right out. Stops the pain of corns. Puts your feet into perfect condition.

Get a box of Tiz now at any drug or department store. Don't suffer. Have feet that never hurt, never get tired.

**"FROTHBLOWERS" AID WAIFS**

Organized last June, the Ancient Order of Frothblowers already has 200,000 members in England and has raised tens of thousands of dollars to help waifs in London slums. A life-membership costs \$1.25 and for this a member receives a pair of silver cuff buttons and a book of novel riddles.

Blowers, when meeting each other, have to display their links when ordered to "shoot your linen." If they cannot, they must set up the drinks to other blowers present or pay a fine which goes to charity. Lodges are called "vats," an ordinary member who enrolls twenty-five new members becomes a "Blaster," and one who enlists

## ROTARIAN LEADER DECLARES FOR PEACE

Friendship of Nations E.  
Fougere's Theme at Inter-  
national Convention

Ostend, Belgium, June 10.—Etienne Fougere, French delegate to the International Rotary Congress here, spoke yesterday on world peace, declaring:

"Europe offers first-class opportunities for the development of friendship and international peace. Twenty-century-old Europe, separated by too many moral, social and economic barriers, must set aside from its earnings an enormous amount for debt settlement, while citizens of the United States enjoy reduced taxes yearly. This is not due to the most powerful intellectualism or superior morality and laborious work, but is due to a lack of balance of the world's spiritual and material forces."

Peace, concord and justice were all the Rotarians wanted, said M. Fougere. OFFICERS ELECTED

Yesterday Arthur Sapp of Huntington, Indiana, was elected president of Rotary International. Rufus Chapin of Chicago was elected treasurer.

Among the directors elected was Joseph Royer of Quebec. The board will elect two vice-presidents.

## Man Killed Two And Ended Own Life

Sheboygan, Wis., June 10.—The Rev. William Wambagness, pastor of the German Lutheran Church, and Frank Doering Sr. was shot and killed here yesterday by Walter Doering, twenty-seven, the latter's son, who then ended his own life. An investigation has so far failed to establish a motive.

Doering, sixty-two, was the father of ten children and the Rev. William Wambagness the father of twelve children. The slayer shot his two victims in the temple with a 32 calibre revolver.

Mrs. Doering said she sent Walter on an errand shortly before noon and then went into the basement of the family home, where she found the body of her husband.

The son returned from the errand to be told of his father's death. While police investigated, the youth rode his bicycle, despite a paralyzed leg, to the home of the pastor, where he asked for a private audience. The minister left the dinner table and escorted young Doering into his study. No shots were heard, but when the minister failed to return to the dinner table his son, Paul, went after him and found him shot through the head. Young Doering's body was a few feet distant. There was no evidence of a scuffle.

Miss Evelyn Collier, British tennis star who twice appeared in the finals at Wimbledon, has become a clerk in a London department store.

## JOHN M. BOWELL DIED IN VANCOUVER

Was Seventy-two; His Father  
Was Premier of Canada in  
Nineties

Vancouver, June 10.—A familiar figure in this city for more than forty years passed away with tragic suddenness last night in the death of John M. Bowell, seventy-two, son of the late Sir Mackenzie Bowell, at one time Premier of Canada.

Mr. Bowell was driving alone in his automobile in the east end of the city when, at 8.35, he evidently felt faint and started to leave his car and collapsed. He was taken to the nearby home of Teresa Zarelli, where he expired before medical aid could be summoned.

Dr. M. Fox, who was called, declared death was due to heart disease.

Dr. W. D. Brydone-Jack, coroner, was notified, but it is not expected an inquest will be held.

Scion of a distinguished family, Mr. Bowell came to the Coast in the Government service. His father, the Rt. Hon. Sir Mackenzie Bowell, was Prime Minister of Canada from December, 1894, to April, 1896.

For many years Mr. Bowell was collector of customs at this port and was twenty-five years in the customs service. He retired some time ago. He is survived by two sons and two daughters.

## BALLOTS COUNTED IN IRISH FREE STATE

Result of General Election  
Will be Known Middle of  
Next Week

Dublin, June 10.—Although it probably will be the middle of next week before the public will know the exact results of the Irish Free State general election for the Dail Eireann, the prevailing opinion in Dublin to-day was that the Government party would likely be much larger than had been expected, this despite the fact that the candidates of the faction headed by Eamon de Valera, which is opposed to the present Free State constitution, waged an active campaign. It has been estimated that the group spent about \$100,000 in the campaign, the funds having been collected by Valera during his recent visit to the United States.

The polling throughout the Free State yesterday passed with remarkable orderliness compared with some previous elections.

Nowhere was serious trouble reported.

There were times in the past fortnight when the Government feared the voters might be indifferent, with consequent accessions to the ranks of the Opposition, but as the day advanced it became clear the people were voting in great numbers, which gave the Ministers confidence. There were nearly 500 candidates for the 152 seats. The Valera candidates numbered 115.

It was figured overnight that seventy to eighty per cent. of the electorate polled their votes, including quite an unexpected number of former Unionists. These, it is believed, voted solidly for the Government ticket.

The enthusiasm of the women was a feature of the polling. Reports from all quarters testify to this and tell how women lined up at the booths waiting to record their votes. No one, however, has ventured too confident an opinion as to who got their votes, though each party claimed strong support.

The balloting was under the proportional representation system.

## Degrees Conferred In Ontario Capital

Toronto, June 10.—With an academic procession of more than usual brilliance, the annual convocation of the University of Toronto was held yesterday.

Sir Robert Falconer, president of the university, presented the first four candidates for the honorary degree of doctor of laws, the first of whom was Sir George Newman, K.C.B., M.D., D.C.L., chief medical officer of the British Ministry of Health for England and Wales. Sir George replied on behalf of the four candidates, stressing the new and growing association between the science of health and that of education. Immediately following the presentation of the degrees Sir Robert Falconer unveiled and presented to the university a painting of the late Charles Kirk Clarke, M.D., LL.D.

### YOUNG MAN MISSING

Edmonton, June 10.—Steve Zelan, a Polish immigrant who had been in Canada only a month, is feared to have been drowned in Chin Lake, thirty-five miles northwest of St. Paul des Metis, June 7. Zelan, who was working on a farm, took a boat and rifle onto the lake on June 7 and failed to return. On the following day the boat was found upside down floating in the lake, but there was no trace of Zelan. The provincial police are dragging the lake for the body.

### TO MEET LINDBERGH

Detroit, June 10.—Mrs. Evangeline Lodge Lindbergh, mother of Col. Charles A. Lindbergh, slipped quietly out of Detroit late yesterday for Washington to meet her son when he reaches there Saturday. Although she previously had announced she would leave to-day, a check of Pullman reservations revealed she had left yesterday afternoon.

### TO SPEED UP AIR MAIL

Seattle, June 10.—Contemplating a change in the air mail schedule which would speed up the time between the Pacific Northwest and the Atlantic Coast by a full business day through night flying, a survey is being made by the Government, according to Boeing Air Transport Company officials.

### BODY RECOVERED

Aberdeen, Wash., June 10.—The body of Mrs. Marcus Vadavinton, thirty-one, formerly Miss Beate H. Maple of Seattle, who disappeared June 3, after announcing she intended to commit suicide, was found in the Chehalis River yesterday near Cosmopolis. The mother identified the body.

## PRAIRIE JUDGE SPEAKS OF WAR DEBT SITUATION

Winnipeg, June 10.—"Is it right that the people of the world should for seventy years be under the handicap of paying tribute to the United States?" asked Mr. Justice W. E. Knowles, K.C., of the Court of King's Bench of Saskatchewan, speaking on "Law and Moral Ethics" at a Manitoba Bar Association banquet here last night. Mr. Justice Knowles declared that

if a thing was not right it should be removed and, after reviewing the war debts situation, he pleaded for a world organization under which the ethical rights between nation and nation might be upheld as they were between individual and individual.

Mr. Knowles said he did not wish to speak unkindly of the United States, whose people would no doubt settle the question themselves, but he asked why the United States alone should be free from post-war burdens while other nations were pauperized.

Growing out of the League of Nations, Mr. Knowles saw a world government that would maintain the ethical rights of the nations as they were now held in the British Empire.

## This Book! Is a Necessity in Every Home—

Dr. Frank McCoy's Famous Book

## "The Fast Way to Health"

Opportunity of great and certain value is within your reach. So valuable has it proved itself that the cost of one doctor's visit is everywhere considered a puny sum, and, really that is the total cost of Dr. Frank McCoy's Famous Book, "The Fast Way to Health." Just \$3.00, that's all. 333 Pages crammed full of health information. It is not a medical book—it is a health volume, written in language everyone can understand. It gives cures—the common sense cures—of over 38 ravaging diseases—it tells you all you want to know, of how to acquire bounding health and contentment. It is a necessity in every home—already more than 100,000 copies have been sold. Get YOUR copy, it's worth many times its price—\$3.00.

## NORTH OKANAGAN

**NORTH OKANAGAN AGAIN.** HAS shown its preference for the Opposition party in the House. There is nothing surprising in yesterday's verdict. The constituency is largely Conservative, and it is doubtful if the Liberal candidate would have been successful in the general election of 1924 if it had not been a four-cornered contest at that time. Support for this view may be found in the decision of the electors at the byelection in 1925, when they refused to endorse a Minister of the Crown. Dr. MacDonald's defeat yesterday, therefore, with no Cabinet portfolio involved, was not altogether unexpected.

No change has been made in the distribution of political forces in the Legislature as a result of Mr. Kennedy's election yesterday. As far as the Government is concerned, its position will be the same as it was during the session of 1925, when the late Mr. A. O. Cochrane represented North Okanagan in the Conservative interests and when, incidentally, it had no difficulty in holding its own. Some divisions during the last session very naturally were close ones; but the alignment on those occasions largely was determined by the nature of the issues then under discussion. The "business" involved was that of scandal, since exploded as effectively as it could have been exploded by an impartial commission. On issues of importance, such as were before the House in 1925, such as will be before the House when it meets again, the Government obtained all the support it needed.

The chief issues in yesterday's byelection were mainly local in character. Water and the marketing of fruit are the prime considerations of the people of the Okanagan Valley. The water problem still is a problem and very probably will remain one for some time to come. It costs the fruitgrower much money to obtain a supply adequate for his needs. Many have not been able to get all they required. On the top of this the marketing situation, for the improvement of which recent legislation passed by the House was designed, has caused hardship among the ranchers of the Okanagan Valley. Last season was not a good one. It followed several indifferent ones. Conservative campaigners naturally took full advantage of these conditions.

It is probable also that alarmist reports about the Premier's health had something to do with the result. The introduction of Mr. Oliver's illness as a campaign argument, based upon a newspaper report, was an exhibition of bad taste not usually encountered in the political life of this Province.

## A NECESSARY IMPROVEMENT

**IT IS GRATIFYING TO LEARN THAT** an amicable arrangement has been reached whereby that stretch of highway between the West Saanich Road and the cement pavement laid down by Mr. Butchart himself will be surfaced and ready for the tourist rush to the famous gardens this season.

The residents of this community often fail to realize what an attraction this magnificent beauty spot really is to people who have learned of its fame in many parts of the world. Wherever Victoria is mentioned, it invariably is associated with what popularly have become known as "Butchart's Gardens."

Well may people marvel at the public-spiritedness which Mr. and Mrs. Butchart have shown for years in consenting to an all-year-round invasion of their own privacy in order that the surroundings which give them so much joy may please the visitor. Were it not for the pleasure they derive from their kindness it would seem out of place to express gratification over a road improvement which will insure for them less privacy than ever.

## THE FREE STATE ELECTIONS

**AS FAR AS IT IS POSSIBLE TO PRE-**dict at this stage the Irish Free State ministers declare that when the votes have been counted in a few days the Cosgrave Ministry will have a working majority in the Dail.

It would be unfortunate for the Irish Free State, if not for the whole of Ireland, if the Free State Government were not endorsed by the electorate. Economic conditions in the South may not have been as good as was hoped for when order was restored a few years ago; but there are indications that they are improving all the time. What is more important, perhaps, is that no longer are the relations between the North and the South strained. On the contrary, reports have suggested that the day is not far distant when Ulster and the Free State will be ready to devise ways and means of settling all old scores in the cause of a united Ireland under one Parliament.

Throughout the campaign which closed yesterday Eamonn de Valera has been active in support of the candidates who have carried the republican banner. His platform has undergone very little alteration during the last six years. He is still op-

posed to the Treaty which resulted in the creation of the Free State and the end of administrative control from Downing Street. He is as anti-British as ever he was, and his tour of the United States a few months ago still revealed him trying to fill the role of a martyr to the "tyranny" of Great Britain.

It is noteworthy that the poll yesterday was a great deal larger than it was at the general election in 1923. This ought to be considered a good omen for Ireland, suggesting, as it does, a greater interest in public affairs.

## GO NORTH, YOUNG MAN!

**IN HIS ADDRESS TO THE INVESTMENT** Bankers' Association in convention at Ottawa yesterday Hon. James A. Robb, Dominion Minister of Finance, described Canada's development and what ought to be her future policy in a manner which should cause the Canadian people to think seriously of their opportunities and the position Canada before long should occupy in the world.

Mr. Robb described how often he stood in front of the map of Canada and gazed at the narrow belt of settled country which stretched from coast to coast, and wondered when it was going to broaden out. "It is like an elastic band," the Minister said, "in stretching it we narrowed down the width; but, having reached the geographical limits, it is high time for us to broaden it out and thus balance off our sectional divisions."

Official statistics prove that the migration of Canadian citizens to the United States has slackened considerably during the last two years and that our countrymen who have lived on the other side of the border for periods of six months or more are returning at the rate of about five thousand a month. This is a healthy sign. It indicates that they are more impressed with the opportunities which await them in their own land than they are with those in the neighboring republic where, obviously, competition in all branches of effort is keen. Thus Canada might well adopt as her Diamond Jubilee Year slogan "Go North, Young Man!" and widen the belt of which Mr. Robb speaks.

The Minister very properly reminded his audience of the things of which Canadians should be proud at this time. Dominion bonds and the Canadian dollar were at par or higher, Canadian credit at home and abroad never was better, while Canadian products, were sold in steadily increasing proportion in the market places of the world. These conditions led Mr. Robb to hope for an early northern expansion in all of those places where the belt of Canadian development was too thin. He could have given many reasons why it should be widened; but they ought to be well known to all.

## WHAT OTHER PAPERS SAY

**IDEALS AND DOLLARS**  
From The Toronto Globe

In an age that sets the dollar sign as the hallmark of success and estimates the value of human achievement and human skill by the amount of money they will bring it is refreshing to read in the dispatch from Detroit published in The Globe yesterday that Mrs. Evangeline Lindbergh has rejected an offer of \$100,000 from a moving picture concern for her appearance on the screen. "My answer is a decisive 'No,'" the mother of the new world-famous flier said when she intimated that she did not intend to commercialize the fame that had come to her son. The proposal made to Mrs. Lindbergh was that she should appear in a film to depict the American mother. Her rejection of the tempting offer will give to the world a higher and better conception of American motherhood than her appearance on the screen would ever convey. She has shown to the world that idealism and pride in human achievement for its own sake are not yet altogether dead, and are not always in the market for the highest bidder. The world has applauded the great feat of her son, who flew into fame overnight. Despite what cynics may say, it will not withhold its tribute of admiration and respect to the mother who places ideals before dollars and finds her chief reward in the maternal pride that is hers in recalling that she gave to the world such a son.

**A COUNTRY WITHOUT A FLAG**  
From The Ottawa Citizen

"Canada's flag floated over the Canadian legation to-day," says an Empire day message from Washington. But as a matter of fact such a thing is impossible, for Canada has no flag in the sense here indicated. It happens to have been a red ensign, and the only Canadian characteristic about it was the fifth "quarter" of the Imperial shield on the "fly" which bore three maple leaves, symbolical of a United Canada.

Up to May 24, the only flag flown over the Canadian legation in place of a Union Jack. The Union Jack is a grand emblem, a handsome banner that has braved the breeze through many eventful years. But the British ensign flew the same flag, and a visitor to Washington could not tell which was the Canadian legation and which was the British embassy from an examination of the flag before Empire Day.

On the 24th the visitor would still have been puzzled. And perhaps the incident will lead to further action on the design of a distinctly Canadian flag. Echoes of the old controversy of two years ago still linger. The ultra patriotic press and the I.O.D.E. led the agitation against a national flag. "The Union Jack is good enough for Britain and it's good enough for us," they said. How they have ever reconciled themselves to dollars and cents in place of pounds and shillings is a puzzle.

This sort of patriotism is all right in its place, but it goes to silly extremes in opposing the adoption of a Canadian flag that is distinct and unmistakable. The red ensign with the Canadian shield is the nearest we have come to such a flag. But it has its shortcomings, both in design and authenticity, for it has no official status and no definite history. Nobody has yet suggested that the Union Jack be omitted nor should it be—as proposed in South Africa and as has been done in the Irish Free State. If colonial status still prevails, then the question is automatically settled. If Canada is a nation, then the least thing it ought to have is a distinct and authorized flag of its own; one that is Canadian as definitely as it is British. Just now Canada is a country without a flag.

## A THOUGHT

For many are called, but few are chosen.—Matthew xxi., 14.  
Dream after dream ensues, and still they dream that they shall still succeed, and still are disappointed.—Cower.

## Do You Mean What You Say?

**'ANNIE OAKLEY'**

"ANNIE OAKLEY"

Annie Oakley was a noted pistol shot who, for seventeen years, appeared with Buffalo Bill shows. Her reputation for puncturing targets was so great among the show business to call free passes (which were punched at the box office) "Annie Oakleys." The punch marks being associated with the holes which she shot in targets. Annie Oakley died only a short time ago.

## Canadian Questions and Answers

### HYDRO-ELECTRIC DEVELOPMENT

Q.—What was the hydro-electric development in 1926?  
A.—Hydro-electric development in 1926 in Canada was 266,000 horsepower, which, added to the previous total, brings it up to 4,554,000 horsepower. The prediction that five million horsepower will soon be reached is a possibility with the completion of the huge development plans under way in different parts of the country. The 1926 development represents a capital investment of \$25,000,000.

## ONTARIO HYDRO BANQUET IS HELD

Kitchener, Ont., June 10.—The silver anniversary of Ontario's hydro-electric system, probably the most outstanding example in the world of public ownership, was celebrated here last night with a banquet in the hotel in which the original meeting took place twenty-five years ago, which resulted in the creation of the system.

The banquet was held at the Hotel Kitchener, and was attended by about 100 guests. The program included a presentation of the history of the system, a report on its present status, and a discussion of its future prospects.

## JOTS FROM GEOGRAPHY

**REELFOOT LAKE** in Western Tennessee, was caused by an earthquake in 1811. This picturesque body of water is in the midst of primitive setting is 14 miles long and four and one-half miles wide. Its waters dotted by cypress trees, seed moss and lily pads, abound in fish. Duck and other wild game are plentiful. It is a state fish and game preserve.

## CONFEDERATION AND AFTER

Sixty Years of Progress

No. 19  
THE CITY OF TORONTO

Sixty years ago Toronto was already the largest city in the Province, but it was a small, sedate and languid community. The population was about 20,000, contained mainly between the Don and Bathurst Streets, the Bay and St. Mary Street. The present College Street between Yonge and University Avenue was then known as "The Avenue." It was a private roadway to Queen's Park, shut off by gates at Yonge Street and guarded by Wykeham Lodge. There was a distinct gap between the city and Yorkville, the villages at "Shut off" by gates at Yonge Street and guarded by Wykeham Lodge. There was a distinct gap between the city and Yorkville, the villages at "Shut off" by gates at Yonge Street and guarded by Wykeham Lodge.

Elm Street and that region was a desirable residential neighborhood, and many excellent houses were found east of Sherbourne Street and south of Gerrard. King Street was the centre of retail trade and when in 1869 Mr. Timothy Eaton opened a dry goods store at Queen and Yonge Streets the wise acres shook their heads in pity. He was too far away from the business district, they thought, to win any measure of success.

Although the city was small it had some excellent public buildings, St. Lawrence Hall, and the Old City Hall on Front Street. University College, Trinity College and the Normal School were fine examples of their architectural order and there were several imposing churches. Allan Gardens had been given to the city, but the Island was in its sandy state of nature. It was granted to the municipality by the Government of Canada in 1867. In that year the total civic expenditure on Parks was \$1,896. The police force cost \$22,000. The fire department consisted of six permanent employees and several volunteer companies. The waterworks plants were privately owned and the water supply was inadequate for proper education. The assessment of the city was about \$300,000.

Within sixty years the city has increased in size and with a population of 600,000 the assessment is on the edge of \$1,000,000. Seven civic departments spend annually more than one million dollars each. For 1926 the figures were as follows: Fire department, \$2,404,792; police, \$2,014,835; parks, \$1,137,156; public health, \$1,019,287; property, \$1,215,574; street cleaning and refuse collection, \$1,150,140; works department, \$1,187,860. There are ninety-nine public schools and nine high schools which, in 1926, to maintain, cost \$2,291. The school expenditure in 1927 was \$23,004.

Macadam roadways and plank side-walks are no longer tolerated. Toronto in 1927 has 365 miles of asphalt or bituminous pavement, and 760 miles of concrete sidewalks. The parks cover 1,800 acres. The city owns and operates the waterworks. The hydro-electric system and the excellent street railway are owned by the city and operated by independent municipal commissions.

The average rate per kilowatt-hour for electric energy from Niagara Falls is less than 2c and that fact has a bearing on the great expansion of manufacturing in recent years. In 1925 the factory products of Toronto had a value of \$60,000,000.

Toronto is distinctly an educational centre. Over 6,000 students are registered at the University and as many more are studying at the Conservatory of Music. The publishing interests are the largest in Canada, and the leading English and American book-shops have branches in the city. Theatres and concert halls are well supported, and there is no lack of social and cultural opportunities. Toronto is the metropolitan of an Anglican and of a Roman Catholic Diocese and is the headquarters of all the "Free Churches" of Canada.

A city beautiful for situation; well adorned with fine buildings, noble homes, shade trees and flowers; active, energetic, optimistic; Toronto invites comparison with any other city of the size in America and looks back over sixty years with modest pride.

## New Anti-Soviet Moves Approved

Rome, June 10.—The Osservatore Romano, official Vatican organ, in a leading article entitled "The Greatest Peril," describes with expressed satisfaction recent mass meetings and declarations of European governments against Bolshevism, which, the paper says, "from China to Mexico is identified with violence and barbaric persecution."

There was a time, says the Osservatore, when "official skepticism prevented attention to the church's warning against the anti-social and anti-civil nature of Sovietism." But this is now past. A chorus of protests of all nations and all governments now joins the voice of the Holy See.

## LINDBERGH NOW COLONEL

Washington, June 10.—President Coolidge has approved a recommendation of the Secretary of War to appoint Charles A. Lindbergh a colonel in the army air corps reserve.

## "THINK NATIONALLY NOT SECTIONALLY"

Mr. Justice Morrison Tells Kinsmen to Study Provincial Problems

Study of the individual problems of the provinces in order that Confederation may achieve that success intended by the Fathers of Confederation, was the keynote of an address by Mr. Justice Aulay Morrison at the semi-monthly meeting of the Kinsman Club held in the Empress Hotel last night. His Lordship urged Canadians to "think nationally and not sectionally."

### Solarium Grateful For Many Kind Gifts

The following donations to the Queen Alexandra Solarium are acknowledged: Miss Dorothy Blankenbach, Victoria, \$8.10; Anonymous \$10; Mrs. Eugene Fuller, Seattle, \$100; Mrs. Schaefer, Victoria, \$1; Mrs. Moorhouse, Quatsiki Cove, \$5; Mrs. Burridge, Victoria, \$1; Mr. Roberts, Victoria, \$1; Mrs. Reynard, Victoria, \$1; Mr. W. H. Wilson, Victoria, \$1; Mr. W. Cayley, Victoria, \$1; Major Lyons, Victoria, \$1; Miss D. M. Moorhouse, Quatsiki Cove, \$1; Miss M. P. Moorhouse, Quatsiki Cove, \$1; Miss H. M. Ronald, Quatsiki Cove, \$1; Mr. Bruce Nobel, Quatsiki Cove, \$1; Mr. W. A. Brown, Quatsiki Cove, \$1; Major Robert J. Black, Chapter I.O.D.E., Fernie, \$50; British America Paint Co., Victoria, \$200; Mrs. A. F. Gower, Victoria, \$2; Mr. G. Little, Victoria, \$1; First Company Boyston Girl Guides, Union Bay, \$1; Anonymous, \$5; Mrs. W. Perkins, Somenos, \$5; Mrs. E. E. Williams, San Francisco, \$5. Four fully-equipped cots, value \$50, have also been given by the following societies: Daisy Chain Chapter, I.O.D.E., Victoria; Ready-to-Help Circle of The King's Daughters, Victoria; Sunset Chapter No. 44, Order of the Eastern Star, Duncan; Duncan Lodge No. 69, B.P.O.E.

The following women's institutes have made donations for the purchase of provisions: Coggan and district, W.I., \$10; Cawston W.I., \$10; Port Haney

W.I., \$25; Mountiehan W.I., \$5; Mackenzie W.I., \$5.

For the purchase of milk for the children \$50 has been received from "The Solatium Kids' Fund," who have done such good work in collecting for this cause, and we would like to take this opportunity of advising everyone to look out for the "Kids" at the next Victoria fair.

The following gifts are also most gratefully acknowledged: Sewing machine, Porter Chapter I.O.D.E., Chalmers; wheel trolley and pallet, King's Daughters and Sons, Victoria; one pot of marmalade, Miss D. Blankenbach, Victoria; books, Maurice Lane, Victoria; books, Mrs. J. Rithet, Victoria; jam and fruit, Mrs. F. F. Frude, McChosin; books, Anonymous; knitted sweater, Miss E. Irving Sergeant, Victoria; scrap book, Mrs. Alice Thompson, Victoria; magazines, Doris and Mary Fox, Victoria; scrap books, papers and dolls and twenty-five cents, South Park School, Victoria; post cards and picture books, Mrs. Davies and Miss Penwell, Victoria; eggs, per Mr. Bassett, Quamichan Lake; Easter parcel, Junior Red Cross of Glen School, Coquitlam; nine pairs of sheets, I.O.D.E., per Mrs. Dawson, Thomas, pincushions, Mrs. Bruce Perkins, Somenos; jam, Mrs. Harwood, Cathboro Bay; baby pillows, "Shirley Senaritana," and the "Hustlers," Junior Red Cross, also small gifts of fruit, eggs, books and small sums of money for the children.

### Sidney

Sidney, June 10.—A number of the young people of the Young Peoples' Society of Sidney motored into Victoria on Tuesday evening to entertain at the Aged Women's Home. Those taking part were as follows: Recitation by N. Fralic, mouth organ solo by W. St. Louis, solo by Jean Speedie, violin solo by E. Wilson, solo by K. Watts, mouth organ solo by B. Owens, piano solo by F. Hamblly, dance by Mary Thornley, saxophone solo by Reg. Beswick. The party was conveyed to Victoria through the kindness of Mr. Speedie.

Miss V. W. Prayer of Vancouver is spending a few days visiting her parents, Mr. and Mrs. Frank G. Norris, Madrona Drive, Deep Cove.

Miss Vera Salmon of the staff of the St. Joseph's Hospital, Victoria, is visiting her parents, Mr. and Mrs. G. F. Salmon, School Cross Road.

### WONDERFUL RECORD OF SERVICE BY LOCAL RED CROSS

#### Appeal Launched to Continue Beneficent Help For Battle- scarred Veterans

With the Victoria Red Cross making an appeal next week for subscriptions to continue its beneficent peace-time programme, it may be timely to recall some of the undertakings which have been carried on since its inception in this city.

#### ORGANIZED IN 1915

When Her Excellency the Viscountess Willingdon was in this city recently she was presented with the following history of the local branch, she having expressed a desire to have it, as honorary president of the Canadian Red Cross Society:

"On March 18, 1915, the Victoria City and District Branch was organized, starting work the next day. From then to the end of 1919 we collected \$508,244.94, included in this was three yearly drives held for the British Red Cross, when a total of \$53,527.22 was collected and forwarded. \$1,000 was collected for the French Red Cross; \$7,300 for an operating theatre for the Paris Hospital built and

equipped by the Canadian Red Cross Society. Eight Motor Ambulances were sent to France. Prisoners of War collections amounted to \$39,381. In April, 1917, a Vimy Ridge Tribute of \$10,000 was forwarded.

#### FOR RETURNED VETERANS

"Since 1919 the welfare of the returned men has been our chief object, and in this respect we have carried on a large amount of relief work this, with hospital visiting and our Red Cross workshop constitutes the largest part of our work. With regard to relief work we are finding it increasingly difficult to cope with the cases brought to our attention. So many men are only now beginning to suffer from the effects of their service overseas and they are finding it extremely difficult to establish their cases after so long an interval. In the meantime no government help is available, and we have to take care of them and their families until some settlement is made.

"With reference to the peace-time programme we have had experience with two disasters. One took place at the Merville Soldiers' Settlement, when forty-one homes were burnt out and all the settlers' effects lost. Several men being severely burnt and one life lost. We were asked by the Provincial Government to co-operate with them in extending relief, and at once dispatched supplies, including tents, blankets, clothing, etc.

#### EARTHQUAKE VICTIMS HELPED

"In the same year occurred the Jap-

anese earthquake, and we were asked by the Dominion Government to take charge of all collections and distribution of funds. We were also notified that 400 refugees were arriving, and asked to take care of them. There being no suitable building in Victoria, it was arranged with the consent of Dr. Brown, the Dominion quarantine officer, that the building at William Head could be used, and here amidst glorious surroundings preparations were made to receive them.

"On boarding the boat it was found that only twenty-five were British subjects, the rest were going on to Seattle. A more miserable band of people it would be hard to imagine; all were destitute with only the few garments they wore. Cables and telegrams were immediately sent to their anxious friends, this being the first information they had received.

#### \$564,707 TO DATE

"We then started outfitting them, and if you have never tried providing for a person with absolutely nothing, you can hardly realize what it means to need everything from a tooth brush to a suitcase. We kept the refugees until arrangements could be made either to re-establish them or send them to friends, the last three leaving us at the end of six weeks. These people are all trying to re-establish themselves, some in Canada and some in England, and still keep in touch with us.

"Our hospital visiting still continues, comforts being supplied to the ex-service men, and their families visited and helped where necessary.

"We are now preparing for a Dominion-wide campaign for funds, and I am sure Victoria will uphold her

## FOR Acid Stomach PHILLIPS' Milk of Magnesia

Instead of soda hereafter take a little "Phillips' Milk of Magnesia" in water any time for indigestion or sour, acid, gassy stomach, and relief will come instantly.

#### BETTER THAN SODA

For fifty years genuine "Phillips' Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as

a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. Besides, it neutralizes acid fermentations in the bowels and gently urges this souring waste from the system without purging. It is far more pleasant to take than soda.

**INSIST UPON "PHILLIPS"**  
Each bottle contains full directions—any druggist.

Was He Seitch?

A miserly man took his son to the theatre. "You must be careful not to fall over, my son," "Why, father?" "Because the seats below cost twice as much."

record of always giving a little more than her quota. Since 1919, \$564,707.22 has been contributed, making a total addition of \$564,707.22 for the period of our activities.

New dining cars to be used in Australia will be seventy-two feet long, and will seat forty-eight persons in the saloon.

## Children Cry for

**Fletcher's  
CASTORIA**

MOTHER—Fletcher's Castoria is a pleasant, harmless Substitute for Castor Oil, Paregoric, Teething Drops and Soothing Syrups, especially prepared for Infants in arms and Children all ages.

To avoid imitations, always look for the signature of *Dr. J. C. Fletcher*. Proven directions on each package. Physicians everywhere recommend it.

Of all the minerals necessary for the growth of the child from conception to adult development, none is of greater importance to all parts of the body than the calcium and phosphorus salts, because these are the essential building materials for bone, which is largely calcium phosphate. Since growth is measured by the development of the skeleton and since the child must have a steady, abundant supply of calcium, as well as of certain vitamins, to build bones and teeth, body organs and fluids, milk should be included in every child's diet during the entire period of growth.

There are but two classes of calcium-rich foods—milk of animals and the leaves of plants. Of all food sources of calcium, milk and cottage cheese are the cheapest, most easily available, and most abundant. Milk also provides other important minerals such as phosphorus and potassium.

British officers traveling on duty at the public expense must now go by the cheapest conveyance either by train or auto bus.

## AT THE THEATRES

BLACK BOTTOM  
DANCE MAKES HIT  
AT COLISEUM

Nixon and his Black Bottom Girls are playing to big houses at the Coliseum this week. The chorus scores a hit with the Black Bottom dance and the comedian keeps the audience in an uproar during the one hour show.

Walter Hagel renders a song in pleasing voice. Manager G. L. Nicholls announces that on account of the crowds every night this week there will be two shows on Saturday night instead of one. The doors open at 6.30 o'clock. On the screen is "Tip-Toes".

Who, of all the strutters of the human stage is so funny, and at the same time so pathetic, as the down and out ham actor? Fred Thompson and

## Where To Go To-night

Columbia—"The Denver Dude," Capitol—"Somebody's Darling," Dominion—"Stella Dallas," Variety—"The Wrong Mr. Wright," Coliseum—"A Night in Paris," Playhouse—Vandeville, Crystal Garden—Swimming and Dancing.

Guy Bolton, the playwrights, immortalized the type in their Broadway success. This film version is funnier than the play because the scene is laid in London, where the picture was produced and the down-and-out Yankee vaudevillean's perplexities are more comic because the whole Atlantic Ocean bars their counting the time home, as they have been wont to do when their show went bust on the road in America. It's a Paramount picture.

Edward H. Griffith

The END of the  
ROAD

The Picture With a Purpose

COMMENCING MONDAY None Under 16 Admitted

CYCLONE OF LAUGHS  
IN VARIETY STORY  
"WRONG MR. WRIGHT"

Another cyclone of laughs with Jean Hersholt as its instigator and master of ceremonies, is entertaining audiences at the Variety Theatre this week. Its title is "The Wrong Mr. Wright" and its purpose is to furnish laughter to every man woman and child with a sense of humor. It is riotously funny—funnier than any picture to be shown here in many a day.

The action begins with Jean the old-maidish vice-president of a nearly defunct corset manufacturing company, taking his first vacation in twenty years to visit his boyhood sweetheart. What happens when he finds her rolling in avodupois and surrounded by several incorrigible children, provides the basis of laugh after laugh.

LLOYD HUGHES WON  
ATTENTION IN PLAY  
WITH MARY PICKFORD

Lloyd Hughes has only been a star for a few years, but he played as leading man to some of the most famous names on the screen when the movies were still incubating in the nickelodeons.

His very first part of any prominence was opposite Mary Pickford in "Tess of the Storm Country." The quiet appeal of the fresh, clean young actor in that famous film brought Hughes into the Hollywood heavens as a star himself.

BRITAIN'S "QUEEN  
OF HAPPINESS" AT  
CAPITOL THIS WEEK

Novel attractions are being offered on the Capitol Theatre stage this week in the form of "An Evening at Home," a sketch entitled "An Evening at Home." This presentation introduces some very clever comedy and acrobatic feats, and also a dainty dance exhibition. The three "Als," a trio of songsters, offer some fine character numbers as well as some very fine solos. Both these acts are being voted by record crowds that are attending the theatre this week as two of the best vaudeville presentations that have been seen here. Princess Minne, the famous Indian lyric soprano, will also be featured in song selections.

Betty Balfour, "Britain's Queen of Happiness," has a tremendous role in "Somebody's Darling," her latest photoplay, which is being shown at the Capitol Theatre all this week.

HOOT GIBSON IN  
"THE DENVER DUDE"  
NOW AT COLUMBIA

Smiling, fighting, Hoot, laughing and battling his way in and out of situations both comic and dangerous, is holding the screen of the Columbia Theatre this week in "The Denver Dude," his latest Universal-Jewel production.

BIGGEST MOMENT OF  
DOMINION FILM IN  
LAST FIFTY FEET

In a film replete with big moments, the biggest moment of "Stella Dallas" is in its last fifty feet of film. Henry King, director of the film version of Olive Higgins Proudy's celebrated novel, has adroitly built a powerful emotional suspense, which he unleashes in a smashing climax.

In developing the film of the picture, King used all the screen arts and technique at his command to give to this period of feeling and the quality of pathos and happiness so strongly conveyed in the novel.

"Stella Dallas" is showing at the Dominion Theatre this week. The film is sponsored by Samuel Goldwyn as his initial picture for United Artists Corporation release. Ronald Coleman, Belle Bennett, Alice

Joyce, Jean Hersholt, Lois Moran and Douglas Fairbanks Jr. are the array of prominent screen personalities who enact the leading roles.

LICKED AT LAST!—Helen Wills conquers tennis but succumbs to style! Sailing for the British courts at Wimbledon, the queen of the net wore one of the very newest Summer picture hats. It was of navy pique, with becoming irregular brim and shaded a chic taffeta coat and a pointed fox fur slung jauntily over one shoulder.

Manufacturing Comedy Gags  
Is Serious Business

Colleen Moore's long sad face shows just how serious this gag invention business really is.

Hollywood, Cal., June 10.—Thousands of persons pay perfectly good money at theatre box offices every night in order to get a few laughs from cinema comedies. But the making of those comedies is a very serious business.

Practically every situation which draws a laugh is the result of hours of careful planning. "Gags" done spontaneously are much in the minority. I have seen directors, cameramen and stars confer for several hours trying to figure out just how a certain scene will be the funniest—and that scene probably was written into the script after more hours of careful thought on the part of the writer.

The impromptu "gags," although in the minority, are important parts of every picture. I spent several days on the set with Wally Beery and Raymond Hatton during the filming of "Fireman, Save My Child."

A chance remark made by Beery gave birth to a prologue for the film. Beery and Hatton were having an argument—they do quite frequently.

"What do you know about fighting fire?" Hatton demanded.

"A lot," replied Wally. "Once when I was a kid I set a Christmas tree on fire."

Eddie Sutherland heard the conversation and suggested the prologue, which will show Beery as a kid setting a Christmas tree on fire and trying to put it out with a toy fire engine.

At another time they were trying to rescue a parrot from a tall tree. In the midst of the scene Beery grabbed the empty cage, held it up toward the bird and started to whistle as if calling a dog. It is a sure laugh. A few other

"END OF THE ROAD"  
VARIETY FEATURE  
SHOWING NEXT WEEK

"The End of the Road" will be the feature picture at the Variety Theatre commencing on Monday.

Do mothers-to-day tell their daughters the secrets of life, or do they allow them to learn from other sources?

Is it not true that ignorance or tainted information, rather than inherent viciousness, is the cause of half the tragedies that we read of every day?

There were two girls—one of them brought up in the traditions of the stork and the cabbage plant; the other taught the truth in a wholesome way by a loving mother. One of them found true happiness and was able to snatch the other from the brink of the abyss. The story is skillfully woven together in this dramatic and unusual photoplay.

It is an offering that will make the most seasoned and cynical think, and will give a warning to the most ignorant. It has been qualified by clergy of every denomination; by prominent business men, by women's organizations of every kind as a photoplay that should be seen by everyone of mature age. It is endorsed and presented under the auspices of the "Canadian Social Council" and "The Department of Public Health."

## PROMINENT WOMEN HERE NEXT WEEK

### National W.C.T.U. Delegates Include Alberta Woman M.L.A.

Last night a committee of twelve ladies from Victoria's district Women's Christian Temperance Union met at "The Bungalow," the home of Mrs. A. Mitchell, Superior Street, to arrange for Victoria's entertainment of delegates to the coming national W.C.T.U. convention in Vancouver, June 11 to 16. While the complete convention programme is not yet to hand, it is expected a delegation of about 100 will visit Victoria, June 17, arriving on the afternoon boat from Vancouver, among them Mrs. Gordon Wright of London, Ont., the national W.C.T.U. president. Mrs. Wright is a sister of the Hon. Newton Rowell of the customs investigation commission, and is said to be one of the best speakers on this continent. She has long been prominent in I.O.G.E. and other organizations of women's work in the East. There will also be Mrs. Puppely of Toronto, very well known in Baptist circles throughout Canada and an able speaker, the national vice-presidents, Mrs. Asa Gordon of Ottawa, who is also Dominion president of the King's Daughters, and Mrs. McKinney M.P.P. of Clarendon, Alberta, with many other prominent workers from the eastern provinces. It is planned to take the visitors over the Malahat to the Solartium that they (Continued on page 11)

## WOMAN WHO RAN FOR U.S. PRESIDENCY DIES IN ENGLAND

Cheltenham, Eng., June 10.—Victoria Clafin Woodhull Martin, author and pioneer suffragist, who once ran for President of the United States, died here today.

Mrs. Martin's death occurred at her home, North Park. She died in her sleep, apparently about midnight.

## July 1 Ball Not to Be Costume Affair

The ball arranged for July 1 in connection with the Diamond Jubilee celebration of Confederation is not to be a costume ball, the chairman of the committee in charge stated this morning. It will be a state ball. Plans for the affair were made at a meeting last evening of the committee, which comprises Mrs. C. F. Hill, Mrs. Charles E. Wilson, Mrs. Herbert Wilson, Mrs. H. P. Hodges, Miss Lottie Bowron and Alderman P. R. Brown.

## BEAUTIFUL BRIDE AT FIRST UNITED CHURCH WEDDING

### Miss Fleurance Cross United in Marriage To-day to Helmut G. Preiswerck

At 1 o'clock this afternoon an unusually pretty wedding took place at the First United Church when Fleurance Marguerite, eldest daughter of the late Mr. W. H. Cross and Mrs. Cross, "Valrose," the Uplands, and Mr. Helmut Gustave Preiswerck, second son of Dr. and Mrs. Gustav Preiswerck, Government Street, formerly of Basle, Switzerland, were united in marriage by the Rev. Dr. W. G. Wilson, in the presence of a large number of friends of the contracting parties.

A profusion of flowers in all the varying colors of the Summer was used as a setting for the marriage service, which was performed with the bridal couple standing under an arch of flowers composed of pink carnations and forget-me-nots, the artistic handiwork of Mrs. F. Widling and other friends of the bride.

Given in marriage by her uncle, Mr. A. E. Cross of Calgary, the bride was fascinating in her imported French wedding gown, fashioned with a tight bodice of white satin with long sleeves and yoke of perle de Venise lace, the gift of her mother, while the skirt of the gown was of softie de sole, made in a three-tier effect, with the lower tier draped to form a graceful train. A cluster of orange blossoms formed a cabochon at the waist line and a circle of orange blossoms attached to the coiffure held the filmy tulle veil in place, cap fashion. A sheaf of Regal lilies and lilies of the valley completed the charming bridal attire.

Miss Mary Cross of Calgary, cousin of the bride, was maid of honor and wore a frock of blonde lace and hat to match.

The Misses Yvette and Simone Cross, sisters of the bride, acted as bridesmaids and were dressed alike in picture frocks of canary yellow tulle, fashioned on bouffant style, over crepe de Chine and having as adornment on the bodice and scattered on the skirt, pink flowers of silk and velvet. The former wore a Florentine leghorn hat to match and the latter one of crinoline, in the yellow tones. Each bridesmaid carried an old-fashioned bouquet, composed of rose buds, yellow and blue pansies and maidenhair fern.

The groom was supported by his brother, Mr. Hurt Preiswerck, and the ushers were Mr. Vincent McKenna and Mr. Russell Turner. Mr. Holloway presided at the organ and during the signing of the register, Mrs. Brian H. Leggs and Miss Legs of New Zealand sang the "Ave Maria" (Bach-Gounod).

Following the ceremony a reception was held at the home of the bride's mother, where Mrs. Cross, in a gown of black Chantilly lace over white crepe de Chine with hat to match and wearing a corsage of mauve orchids received the guests, assisted by Mrs. Preiswerck, who wore French embroidered black georgette, with hat to match, and a similar corsage.

Mr. and Mrs. Preiswerck left on the afternoon boat for Seattle and will spend some time motoring on the mainland prior to returning to Victoria, where they will make their future home in the Uplands. The bride's traveling gown was of brown lace with cloak of Kashia cloth and hat to match of vison straw.

MISS FLEURANCE CROSS

MR. HELMUTH G. PREISWERCK

## SOCIETY

Dr. Cousland of Vancouver, joined the cableship Restorer yesterday, as ship's surgeon for a trip to Banfield.

Mrs. Pugnery of Montreal, is the guest of Mr. and Mrs. A. F. Beasley, Beach Drive.

Mrs. Sydney Kelly left for her home in Keriadale to-day after spending some time with her sister, Lady Lake, Newport Avenue.

Mr. Charles Fraser of Vancouver, is spending a week's holiday in Victoria as the guest of his parents, Mr. and Mrs. W. S. Fraser, Vancouver Street.

Mrs. Crowther of Vancouver, is visiting in Victoria as the guest of her parents, Mr. and Mrs. W. B. Pease, Cadboro Bay Road.

Miss Ruth McBride has returned to the city after spending a few days at Cowichan Lake with her brother-in-law and sister, Capt. and Mrs. Macgregor Mackintosh.

Mr. A. E. Cross of Calgary, accompanied by his daughter, Miss Mary Cross, arrived in Victoria yesterday to attend the marriage of his niece, Miss Fleurance Cross and Mr. Helmut Preiswerck that took place this afternoon.

Mr. and Mrs. R. W. Whitmore of Dunsmuir, who came down to Victoria to attend the Harrison-Paisson wedding that took place yesterday, returned to-day to their respective homes up the Island.

Mr. and Mrs. Ernest Evans of Vancouver, after spending a few days in Victoria as guests at the Empress Hotel, have returned to their home on the Mainland.

Miss Crease, Mrs. Wm. Grant, Mrs. Whyte-Birch and Mrs. Wm. MacLean were among the Victoria members attending the Provincial Council of Women meeting held in Vancouver Wednesday.

Mrs. Wm. Grant, of Bay Street, left on Monday for Vancouver, where she will attend the meeting of the Provincial Council of Women members attending the annual convention of the National W.C.T.U.

Dr. Lionel J. Stevenson of Berkeley, Cal., is spending a brief holiday with his mother at Duncan before going East to attend the convention of the Canadian Authors' Association at Ottawa, where he will represent the Vancouver branch of the association.

Mr. and Mrs. Chas. Brown, of Merritt, B.C., announce the engagement of their youngest daughter, Joan Sinclair, to Mr. D. L. Cameron, eldest son of Mr. and Mrs. D. A. Cameron, of Victoria, B.C., the wedding to take place shortly.

Mrs. H. Barlow of Nanaimo, is visiting in Victoria as the guest of her brother-in-law and sister, Mr. and Mrs. Paul Michelin, Bank Street. Judge Barker will join her at the week-end in Victoria as the guest of Mr. and Mrs. Michelin.

Mrs. Arthur E. Hodgins was hostess at the tea hour this afternoon when she entertained a number of guests at her home on Fairfield Road, the garden of which is particularly attractive with Summer flowers, and a magnificent view of the Olympics.

Mr. and Mrs. C. Harris, of 2609 Blackwood Street, announce the engagement of their younger daughter, Edith Lillian, to George Heney P. Bowen, son of the late Mr. and Mrs. Cornelius Bowen, of Nanaimo. The wedding will take place at the home of the bride at 12 noon on June 29.

Mr. and Mrs. T. S. Gore, Beach Drive, entertained the Sketch Club of the Island Arts and Crafts yesterday afternoon, when the delightful gardens and the superb view were thoroughly appreciated, and embodied in some charming sketches by the members. Mrs. Gore made an ideal hostess and after the work of the afternoon had been accomplished, served a delicious tea.

Mr. and Mrs. F. Storer-Brown entertained this afternoon at the tea hour, at their home on Oliver Street, in honor of Sir Reginald and Lady Butler of Surrey, England, and their daughter, Mrs. Weyland-Smith of Exeter, England, who are visiting in Victoria. Sir Reginald and Lady Butler and Mrs. Weyland-Smith will leave Victoria on Monday for the Mainland and en route to Quebec will visit in the Rockies, in Winnipeg, Toronto and Montreal.

The Misses Gertrude and Isobel Munn entertained this afternoon at the tea hour, at the home of their parents, Mr. and Mrs. H. Munn, Davis Street, in honor of Miss Lillian Norris and Miss Mabel Rhodes, two popular brides-elect. Among the other guests present were Mrs. Leslie Aylard, Mrs. Cecil Laundry, Mrs. Gordon Cameron, Mrs. Crowther of Vancouver, Mrs. Pugnery of Montreal, and the Misses Ethel Rhodes, Marjorie Currie of Montreal, Mary Cross of Calgary, Helen and Norma Macdonald, Margaret and Mary Campbell, Iris Burton, Midge and Annie Innes, Naomi Mitchell, Barbara and Marion Bullock-Webster, Grace Moneys, Marjorie and Carol Puckie, Elsie Taylor, Frances Price, Gladys and Cecelia Gareche, Annie Miller, Nora Tolson, Aline Stewart-Williams, Dorothy Crump, Muriel and Eileen Aylard, Nellie Aylwyn of New Denver, Mona Miller, Mary Pease, Kathleen Ross, Margaret Buchanan and Kathleen Wollaston.

A pretty wedding took place on Monday evening at St. Barnabas' Church, when Rev. N. E. Smith united in matrimony Miss Elsie Bryant, daughter of Mr. J. Bryant and the late Mrs. Bryant, of this city, and Mr. Charles Moore O'Neill, son of the late Mr. F. C. and Mrs. O'Neill, of this city.

The bride wore a gown of white Canton crepe, a pretty wedding veil, caught to the head with a wreath of orange blossoms, and carried a bouquet of Ophelia roses and carnations. She was attended by Miss Charlotte Neilson, who wore a frock of orchid georgette and picture hat to match, and carried a sheaf of roses and sweet peas. The little flower girl, Miss Hilda Jacques, was dressed in apple green chiffon over pale pink satin, and she carried a basket of sweet peas. The groom was attended by his brother, Mr. Harold O'Neill. A reception was held at the bride's home, 3088 Millicum Road, where the guests were received by the bride and groom, assisted by

Home Cooking Sale—Ladies' Auxiliary to Tuberculosis Veterans will hold a home cooking sale in the basement of David Spencers Limited on Saturday morning, June 11. The ladies will be pleased to received donations at the stall between the hours of 9 a.m. and 12 a.m.

Harry Lauder is said to receive \$50,000 for his appearance in a British moving picture film.

## If you wrap a piece of ice in a Blanket

it will melt too slowly to preserve your food! For the ice must be exposed and melt in order to keep the refrigerator sufficiently cool.

It's the same with soap! It must dissolve from the bar before it can do its work.

The hard, common kinds of soap take their own time about dissolving.

But Sunlight dissolves freely, so it isn't necessary to leave it in the water. In fact it's wasteful to do so.

Just swish the bar around a little and right away you have plenty of bubbly, lasting suds—even with hard water!

Sunlight, being all pure soap, not only dissolves quickly, but works faster and does not hurt either hands or finest fabrics.

## The \$5,000 Sunlight Guarantee

means Absolute Purity, Kindness to your Hands, Longer Life for your Clothes

## SUNLIGHT SOAP

Greatest Bike Race  
Of Year Will Thrill  
Big Crowds To-night

Over Fifty Riders Will Compete For Colonist Cup Over Long Course

Vancouver's Strong Continental Feared, But Local Riders in Good Form

Victoria's greatest bicycle race, over a course nearly nine miles in length, will be staged to-night, and over fifty riders will compete. The riders will race over the long course in quest of The Colonist Cup which holds the same position in Victoria as does The Province Cup in Vancouver.

Riders of all ages are competing in the various classes but every one of them will have a chance to win the main cup as well as the trophies which will be at stake in their classes. The route will take The Colonist Cup now held by Jim Davies of Vancouver. Victoria will turn out a very strong and representative field of riders in order to contend with the powerful team from Vancouver, led by Davies and Leo Marchiori.

**EARLY START**  
The race will start at 7.30 o'clock from the corner of Quadra Street and King's Road. The riders will proceed along Quadra Street, Hillside Avenue, Douglas Street and Glenford Avenue to the Saanich Health Centre and return to the starting point via Saanich Road. Police will patrol the long course and people in automobiles are requested to give the riders every chance on the road and not crowd them.

A record crowd is expected at the starting point and many groups will be formed at points of vantage along the route.

The entries, with their numbers and colors, are as follows:

- CLASS A**  
Riders over the age of sixteen, using racing bicycles—Red.
1. Charles Staples, Victoria.
  2. P. W. Rose, Victoria.
  3. James A. Davies, Vancouver.
  4. T. Briggs, Victoria.
  5. David Macdonald, Vancouver.
  6. Dave Cook Jr., Vancouver.
  7. Leo Marchiori, Vancouver.
  8. Maurice Woodley, Victoria.
  9. George C. Cameron, Victoria.
  10. Stanley Jackson, Victoria.
  11. William J. Peden, Victoria.
  12. Robert Beaumont, Victoria.
  13. Jack McPherson, Victoria.
  14. Beverly C. Peden, Victoria.
- CLASS B**  
Riders over the age of sixteen, using roadster bicycles—Red.
20. Bernard Wood, Victoria.
  21. Ernest E. Peden, Victoria.
  22. Geoffrey D. Parrott, Victoria.
  23. Andrew Littlejohn, Vancouver.
  24. William Jones, Saanich, B.C.
  25. B. G. Anderson, Vancouver.
  26. Arthur Miller, Victoria.
  27. Albert Pelet, Victoria.
  28. Robert Peden, Victoria.
  29. Stanley Downing, Victoria.
  30. Caesar Finnigan, Victoria.
  31. Raymond Macdonald, Victoria.
  32. Stanley Brook, Victoria.

- CLASS C**  
Riders under the age of sixteen—Yellow.
40. Bryce Blake, Victoria.
  41. Glen Robbins, Victoria.
  42. P. Neuenfeldt, Victoria.
  43. Lewis Rush, Victoria.
  44. Leslie Smith, Victoria.
  45. Napier Durand, Victoria.
  46. William Gibbs, Victoria.
  47. Maurice Irving, Vancouver.
  48. Ingram McGavin, Victoria.
  49. Francis Joubin, Victoria.
  50. P. Tyson, Victoria.
  51. W. C. Eppley, Victoria.
  52. Orville Regan, Victoria.
  53. Tom Coventry, Victoria.
  54. Herbert Littlejohn, Vancouver.

- CLASS D**  
Riders under the age of fourteen—Green.
61. Robert Noble, Victoria.
  62. Harold R. Davies, Vancouver.
  63. K. Cameron, Victoria.
  64. Arthur B. Stewart, Victoria.
  65. Dave Cook Jr., Vancouver.

- CLASS E**  
Riders under the age of thirteen—White.
70. William Fletcher, Victoria.
  71. Gilbert M. Clayton, Victoria.
  72. R. Frost, Victoria.
  73. H. MacLachlan, Victoria.

The officials will be as follows:  
Honorary judge, Mayor Carl Pender; judges, James H. Fletcher, Archie Wills, C. Elwood Warkentin, official handicapper, Joe Hancock; timekeeper, W. Duncan, W. H. Taylor, W. H. Wilkerson, P. W. Francis, W. S. Macgillivray, supervisor, Lester Patrick; starter, Chief of Police John Fry; doctor, Dr. James P. Grant; secretary, George W. Robinson; police patrol, city police, Saanich police, Provincial police, referees, J. L. Tait, W. E. Stansland, Alex. T. Stewart.

Kingston St. Tennis  
Finals Near at Hand

To-day's two scheduled matches in the Kingston Street Tennis Club Scratch Tournament will complete the preliminary rounds in all events leaving the finals to be played over tomorrow. The preliminary matches played yesterday to less than four required the full three sets and this promises some great struggles in the finals. C. H. O'Halloran won his way into the finals of the men's singles by his extra-set win over Barnes. It was O'Halloran's third straight three-set match of the tournament. O'Halloran and Hocking advanced into the finals of the mixed doubles by winning a spirited tussle from Miss Hickey and Temple. Hocking will now appear in three finals.

Three advantage sets had to be played in yesterday's consolation singles between Garrard and Keown.

## NOT THROUGH YET

GENE BOROTRA

Paris, June 10.—Jean Borotra, the "bouncing Basque" when asked to-day concerning a report printed in the French papers that he was abandoning tennis owing to pressure of business, replied: "I am playing rotten, that I know," he continued. "I don't beat me. Why shouldn't he? Gentien defeats me. More power to him. This is June, August is coming—I'll be there."

Lacoste, Cochet and Brugnon have left for Italy to represent France in the Davis Cup series.

"I don't need me," remarked Borotra. "France will reach the European finals in the Davis Cup, never fear, and then if France calls, I will respond."

Kitty Godfree Puts  
Elizabeth Ryan Out  
Of Kent Tournament

English Star Wins in Three Sets; Helen Wills Performs Miracle of Hitting

Beckenham, Eng., June 10.—Miss Elizabeth Ryan, one of the three American stars in Kent County tennis tournament, was eliminated from the singles to-day by Mrs. L. A. Godfree, the former Kitty McKane. The Englishwoman won at 3-6, 6-3, 6-2.

Beckenham, Eng., June 10.—Helen Wills, 6-0, 6-0 victory over "Billie" Tapscott of South Africa, in eighteen minutes by the clock in the Kent County lawn tennis championships yesterday, is heralded as a performance surpassing anything that Suzanne Lenglen, France's famous star, ever achieved in tennis.

Suzanne at her best, never beat this time record, and British critics say that the French girl never approached the variety and power of strokes by means of which it was achieved. Miss Tapscott, who is considered about the quickest and smartest mover over ground that women's tennis has produced, was flung out of the picture with drives of a pace and accuracy, both forward and backward, that almost beat the eyes of the spectators.

**LOST ONLY TEN POINTS**  
In the first set Miss Wills lost ten points, including three by double faults and one by what was considered a bad decision. In the second set she lost 8 points, one by a double fault.

"It Miss Wills goes on like this," says the tennis writer in The London Evening Standard, "she will revolutionize women's tennis."

The correspondent of The Evening News writes:

"It was wonderful tennis, in which the ball was driven all over the court and down both lines at an amazing pace. Miss Wills took game after game, while her cheery little opponent smiled at her own helplessness."

The correspondent of The Evening News writes:

"The little woman, a demure figure of gracious efficiency, without parade, without a suspicion of 'side,' without a fragment of fanfare, performed what was to the oldest expert observer, a miracle of hitting."

**POLEY IN DRAW BOAT**  
Tacoma, June 10.—Vic Poley, Vancouver, featherweight and Benny "Kid" Carter of Phoenix, Ariz., drew in the sixth round main event of a ring programme here last night.

The main event was evenly contested. Poley was more aggressive and employed a straight left effectively, while Carter had the advantage on the numerous exchanges at close range and also appeared to be punching harder than the Vancouver man.

which was won by the former 7-9, 7-6, 8-6.

Yesterday's results were:

**SEMI-FINALS**  
O'Halloran beat Barnes, 3-6, 6-4, 6-4.  
Miss Sayers and Willis beat Mrs. Ismay and Ismay, 6-2, 6-1.

Miss K. and R. Harris beat Miss Brakes and Elkinson, 6-4, 6-3.

Miss Kennis and Hocking beat Miss Hickey and Temple, 7-5, 6-4, 6-3.

**CONSOLATION**  
Evans beat Sheridan, 6-2, 3-6, 6-1.  
Miss Fulton beat Mrs. Freeman, 6-4, 6-6.  
Mrs. Andrews beat Miss Copas, 6-0, 6-4.  
Garrard beat Keown, 7-6, 7-5, 6-4.

Up To Cowichan To  
Block Victorious  
Gallop of Incogs

Three Teams on Heels of Leaders Engaged in Crucial Matches To-morrow

Slip on Part of Incogs Will See Tie Created For Cricket Leadership

Unless Cowichan can unearth some surprising hitting talent as well as another dandy bowler, it is not likely that the leaders of the Victoria and District Cricket League will be disturbed to-morrow. The Up-Island eleven, which won the championship three years ago, have not made very much progress this year and are next to the bottom in the league standing, with only one win to their credit out of five starts. Cowichan must face the Incogs to-morrow and, while they will be playing on their home ground, they will find the leaders hot stuff. The Incogs have lost but one game in five starts.

The three teams, Victoria, Albions and the Garrison, which are treading on the heels of the Incogs, will be in action to-morrow and a slip on the part of the leaders might see one or two of the challengers pull up to even terms with them.

**GARRISON FAVORED**  
The Garrison seem to have picked a soft spot, as they will meet the Two C's, the tail-enders, who have yet to win a game, at Beacon Hill. The Garrison have been playing along fairly well with only one loss in four starts. Victoria will be opposed by the Albions at Mt. Tolmie. This should be a close match and both teams will be after the points.

Some of the teams for to-morrow are as follows:

Garrison—Cobbett, Stevens, Pooley, Wilkinson, Wilcox, Oakley, Craig, Watson, Haner, Weyman and Hoyes.

Two C's—W. H. Sutton (capt.), C. Sutton, E. H. Pendray, W. H. Pendray, H. Edwards, G. Heineke, E. Cox, R. Craddock, J. E. Barnett, G. Geddes and L. Vaughan.

Scorer, Mr. Gilder; umpire, Mr. Cross.

SONS OF CANADA  
WIN OPENING GAME  
IN LACROSSE LEAGUE

In the opening game of the inter-league lacrosse league played last night at Sidney the Sons of Canada defeated the millmen 3-2.

The Sons obtained the lead in the first quarter on Nio's goal. In the second quarter Sidney had a slight edge in the play and evened up the score when L. Crossley beat Noel with a hot shot.

In the third period the teams battled for twenty minutes without a score. The Sons got into their real stride in the final quarter, and five minutes after the start Viggo scored, forcing the play from the face-off Jack Taylor scored the winners' third goal after a neat bit of combination play.

Frank Smith refereed and the teams were as follows:

Native Sons—Noel, Kennedy, Taylor, Bissell, Shade, Basso, Oliver, J. Taylor, Seale, Collier, Nichol, Cann and Viggo.

Sidney—St. Louis, A. Hill, Gilman, B. Bowcott, W. Crossley, D. Bowcott, C. Reid, H. Dunn, Ward, Anderson, Clanton, L. Crossley and A. Nunn.

**FARMERS TOO GOOD**  
Vancouver, June 10.—Richmond Farmers annexed first place in the Mann Cup lacrosse series when they chalked up a 4-0 win over Bluebirds here last night. The Farmers were in rare form and gave the local entry little chance to shine.

## EXPECT SHARKEY WILL BE HIS OPPONENT

GENE TUNNEY

New York, June 10.—Tex Rickard will announce next Monday a Gene Tunney-Jack Sharkey match for the world's heavyweight championship. The New York World says.

Sharkey, it is understood, has agreed to pledge his services to Rickard for the year 1928, if he wins the title. This was interpreted to mean that Jack Dempsey would not attempt his comeback appearance this year, if at all.

Rickard's decision to match Sharkey against the champion awaits the challenger's signature to an "exclusive service" contract, says The World.

Arise In Tournament  
At Willows Courts

McWayne Shows Much Promise in Tennis Matches For B.C. Junior Title

Although a troublesome west wind continued to hamper the contestants, some very close and interesting matches were seen in the third round of the Junior B.C. Tennis Championships, played at the Victoria Lawn Tennis Club yesterday.

The semi-finals in each event were being played this afternoon, leaving the finals for tomorrow.

Favorites clashed twice in the girls' events yesterday. In the first round, Doreen Doreen Swayne and Joan List resumed their old rivalry and once again the honors were with Miss Swayne, after a match replete with long and interesting rallies. Later on, in the afternoon Helen Campbell beat Miss List in the under sixteen class by the narrow margin of 7-5, 9-7.

Due to Jack Brown's default, Crommelin advanced to the third round, where he succumbed to Oeler, 6-2, 6-4.

**PLAYS FINE GAME**  
McWayne played the game of his young life and by managing to stave off Walker's belated rally gained a place in the semi-finals of the boys' under sixteen event, where he meets Oeler today. McWayne was steadier in both sets and is to be complimented for his play. He will be heartily cheered from the stands.

In the other half, Hanbury upset the boys by outlasting his team-mate, Phillips, after a real old-fashioned marathon. Hanbury meets Steve Jones this afternoon and the local youngster should win in straight sets.

H. R. Robertson of Brentwood College advanced another round in both the under fifteen and under sixteen events. He is favored to win both titles after his decisive victories of the past week.

Yesterday's results were:

**GIRLS UNDER 15**  
Mary MacKay defeated Betty Bastin, 6-1, 6-3, 6-2.  
M. Little defeated A. Bucklin, 6-0, 6-1.  
Doreen Swayne defeated J. List, 6-2, 6-3.

**GIRLS UNDER 16**  
Doreen Swayne defeated G. Cochran, 6-1, 6-2.  
Helen Campbell defeated J. List, 7-5, 9-7.

**GIRLS UNDER 18**  
G. Cochran defeated E. Everall, 6-3, 6-4.  
M. Glasford defeated M. Robertson, 6-3, 6-4, 6-1.

**BOYS UNDER 15**  
R. D. Phillips defeated D. H. Bird, 6-1, 6-4.  
B. A. Hanbury defeated G. McInnis, 6-4, 6-2.

**BOYS UNDER 16**  
R. D. Phillips defeated R. S. Walker, 6-4, 6-2.  
B. A. Hanbury defeated R. Phillips, 12-9, 7-5, 6-3.

**BOYS UNDER 18**  
H. P. Robertson defeated Jack Ruttan, 6-3, 6-0.  
B. A. Hanbury defeated J. Richardson, 6-2, 6-0.

**BOYS UNDER 15**  
H. R. Robertson defeated Harrison, 6-1, 6-2.  
B. A. Hanbury defeated H. O. Cornwall, 6-3, 7-5, 6-1.

Sons of Canada Wild Over Decision in Game With Eagles; Game Ends in Tie

Lidstone and Kerr Strike Out Thirty Batters Between Them; Fine Fielding Feats

Out of respect to Harry Copas, popular baseball player and athlete, who passed away last night the minor amateur baseball game scheduled at the Royal Athletic Park to-morrow afternoon between the Sons of Canada and Eagles has been cancelled.

A near riot, thirty-strikeouts, and a tie game were just a few of the thrills crammed into nine innings of baseball at the Royal Athletic Park last night with the Sons of Canada and the Eagles the two opposing teams. When the last man had been retired in the ninth the scorer looked at his book and found the teams each had two runs apiece and the game was called on account of darkness.

All the excitement a fan could desire was seen in the first of the ninth. With the score tied the Sons went to bat with blood in their eyes. "Kim" Campbell hit safely. Murty Dunn the next batter, doubled to centre field. Campbell stopping at third. Bacon, a dangerous batter, was purposely walked and the bases were filled. Stanary strutted to the plate with a chance to make a name for himself. On the second ball thrown Stanary claimed he had been hit on foot and walked towards first while Campbell trotted home. The umpire, however, ruled it was a foul ball and brought Stanary back to the plate and sent Campbell to third. This decision put Stanary in a bad way in the air and they booed the umpire. Players also strongly protested the decision and for a few minutes the playing field was nearly turned into a boxing ring. Stanary failed to hit safely and made the third out.

During the nine innings there were no less than thirty strikeouts. Lidstone of the Sons, getting seventeen and Kerr of the Eagles, thirteen. Kidstone came within one of Norm Forbes' record established a couple of years ago.

The Natives gained a one-run lead in the first inning. Campbell was safe on Base Omer's error, was sacrificed to second, and scored on Bill More's single. For the next five innings both teams played bang-up ball and not a runner got anyplace. In the sixth the Natives obtained their second tally. Jimmy Cummins walked to second on a sacrifice and romped home on Belcher's double to left field.

**REAL PITCHING IN PINCH**  
The Eagles scored their first run in the sixth. Ross Oatman singled and Nex beat out a perfect bunt. "Hap" Gandy hit for the tying run. Next George Gandy beat out a scratch hit filling the bases. Lidstone got his own out to right field by striking out. In the seventh the Natives scored their third tally. Jimmy Cummins walked to second on a sacrifice and romped home on Belcher's double to left field.

Just when the Sons had doped out a win the Eagles staged a rally in the eighth. Lidstone hit for the tying run. Next he hit to right field for two bases. "Hap" Gandy crashed a hot one to third that Belcher bungled. Nex came home with a George Gandy got away with a scratch hit.

The last half of the ninth was featured by two phenomenal catches by Stanary. He caught for the Sons and Murty Dunn at shortstop.

The Sons collected a total of nine hits while the Eagles were credited with seven.

The box score follows:

Sons of Canada	A.B.	R.	H.	P.O.A.	E.
P. Campbell, 3b.	4	1	2	0	2
Dunn, ss.	4	0	0	1	0
More, r.f.	4	0	0	0	0
Milne, c.	4	0	0	0	0
Bacon, c.	4	1	2	0	1
Cummins, 1b.	4	0	2	0	0
Stanary, 1b.	4	0	2	0	0
Curtis, 2b.	4	0	1	1	1
Belcher, 2b.	4	0	0	1	0
Lidstone, p.	4	0	0	1	0
Totals	35	3	27	9	3

Eagles	A.B.	R.	H.	P.O.A.	E.
Oatman, 2b.	3	1	1	2	0
Nex, r.f.	4	1	2	0	0
H. Gandy, 2b.	4	0	2	2	0
G. Gandy, 1b.	4	0	0	0	0
C. Oatman, 1b.	4	0	0	0	0
Wachter, c.	4	0	0	1	0
Latham, s.s.	4	0	0	1	0
Kerr, p.	4	0	0	1	0
Totals	35	3	27	8	3

Score by innings—1 2 3 4 5 6 7 8 9  
Sons of Canada 1 0 0 0 1 0 0 0 3  
Eagles 1 0 0 0 0 1 0 1 0

**SUMMARY**  
Two-base hits—Belcher, Nex.  
Sacrifice hits—Dunn.  
Singles—Bacon, Oatman.  
Bruck out—Lidstone, 17; by Kerr, 13.  
Bases on balls—Off Lidstone, 1; off Kerr, 13.  
Left on bases—Sons, 13; Eagles, 1.  
Passed ball—Ross.  
Time of game—1:55.  
Umpire—Cassner.

## Uplands Ladies

The draw for the ladies' monthly medal round to be played at the Uplands Golf Course to-morrow is as follows:

Mrs. Boyd vs. Mrs. Eve; Miss Hockley vs. Miss M. Fraser; Mrs. Semple vs. Miss McNaughton; Mrs. Peachey vs. Mrs. Ellis; Mrs. Tanner vs. Mrs. W. O. Wilson; Miss Wolfenden vs. Mrs. Poole; Mrs. Macdonald vs. Mrs. J. A. Cameron; Mrs. Mills vs. Miss Grant; Mrs. Halls vs. Miss D. Locke; Mrs. Hope vs. Mrs. Hepburn, and Mrs. Geiger vs. Miss L. M. Blake.

Miss L. M. Blake, who may be played either in the morning or afternoon.

**BATTLED TO A DRAW**  
London, June 10.—Pancho Dumele of the Philippines and Francisco Moranchillo, France, fought a fifteen-round fight here last night to a draw.

## HIS LOSS MOURNEL

HARRY COPAS

A gentlemanly player, who loved to play games for fun sport he got out of them, and incidentally provided sportsmen with plenty of thrills. Through his long sickness he revealed the same patience, courage and brightness which made him such a favorite as an athlete.

Harry Copas, One  
Of City's Prominent  
Athletes Has Passed

Popular Baseball, Football and Hockey Star Leaves Many Friends to Mourn Loss

Served in Great War With Canadians; Death Follows a Lingering Illness

The funeral of Harry Copas will be held to-morrow afternoon at 4 o'clock from the B.C. Funeral Parlors. Interment will be made in the Royal Oak Burial Park.

Harry Copas, one of the most popular and prominent athletes in Victoria, passed away last night at Langford, B.C., following a lingering illness. His many friends, not only in this city but all over British Columbia, will learn with sincere regret of the death of "Cope," as he was familiarly known among his fellow athletes and fans.

During his athletic career in this city, which extended over many years, "Cope" built up an enviable record in football, ice hockey, basketball and baseball.

Harry was taken ill several months ago, and up until recently he had been held out for his recovery. Yesterday, however, he took a turn for the worse, and died last night about 8 o'clock at the age of twenty-seven years.

"I feel that in the death of Harry Copas," the Victoria Senior Amateur Baseball League loses one of its most prominent and promising players," declared Matt Hunter, president of the league, this morning. "Harry was one of the most gentlemanly players that ever graced a suit, and during his career as a baseball player he set up a record that will always be looked up to by those following him."

**CAME FROM CALGARY**

# Always Equally Good "SALADA" TEA

Maintains a tradition of excellence.

## Central W.C.T.U. Hears Reports and Elects Its Officers

The annual meeting of the Central W.C.T.U. was held yesterday afternoon at the home of Mrs. David Fair, Camosun Street. The yearly reports were presented and proved most encouraging. The recording secretary in a comprehensive report noted that ten regular meetings, four social meetings, one picnic and several lectures had been held. The treasurer reported disbursements for educational supplies, books, charts, badges and for maintenance. Business letters and letters of

sympathy had been sent out by the corresponding secretary. Perhaps the best report of the afternoon was that of the devoted superintendent, her report telling of the foundation of a splendid work in the Sunday schools. Officers unanimously elected were: President, Mrs. A. E. Mitchell; vice-president, Mrs. R. E. Collins; recording secretary, Mrs. F. O. Sherwood; corresponding secretary, Mrs. R. G. Wellwood, and treasurer, Mrs. J. R. Clements.

Esquimalt C.G.I.T.—The members of the Esquimalt C.G.I.T. group will present an attractive programme at their concert to-night at the Esquimalt United Church, Admiral's Road.

Surrey, England, plans an anti-mosquito war.

## MCGILL TO HELP IN PLACING I.O.D.E. SCHOLARS ON STAFFS

### National Chapter Hears Report of Memorial Scheme; War Pictures Defended

Winnipeg, June 10.—Placing of scholars educated under the I.O.D.E. war memorial scheme when they have finished their course of studies is to be undertaken with the assistance of McGill University. Miss Wilhelmina Gordon, national educational secretary, reported at last night's session of the twenty-seventh annual meeting of the Imperial Order Daughters of the Empire.

Miss Gordon brought a promise from Sir Arthur Currie of McGill, that he would establish a registration bureau where all vacancies in universities, colleges and technical schools could be reported at last night's session of the twenty-seventh annual meeting of the Imperial Order Daughters of the Empire.

During the submission of a report on the war memorial scheme, the national secretary took up the gauntlet

let on behalf of the war memorial pictures which some schools have declined to accept on anti-militaristic grounds. "There are only three of the eighteen pictures which show fighting at all. And these are not of a nature to win children to fighting as they show the grimness rather than the glory of war," Miss Gordon said.

In recognition of the secretary's outstanding work in management of the war memorial bursaries and scholarships, the convention voted Miss Gordon a life membership in the National Chapter. Miss R. M. Church, national president, pinned the badge upon Miss Gordon, telling her it was the highest award within the power of the order to confer.

### NINE OVERSEAS SCHOLARS

Miss Gordon's report covered the whole of the war memorial fund activities from their inception till the present time. The fund had first been devoted to many activities, but had recently been narrowed down to three bursaries for the children of soldiers, war pictures and overseas scholarships. Last year the National Chapter had asked that the memorial fund be apportioned to the provinces according to the number of members of the order, the amount to be raised being set at \$55,000. The sums collected in the various provinces were: Prince Edward Island, \$25; Quebec, \$3,550; Yukon, \$89; Nova Scotia, \$277; Alberta, \$944; British Columbia, \$1,347; Manitoba, \$1,128; New Brunswick, \$1,924; Ontario, \$7,451; Saskatchewan, \$1,063.

Miss Gordon announced that this year, for the first time, there would be one overseas scholar from each province. Of the nine winners seven are men and two women. There are six leaving in the fall to attend Oxford, two to attend the University of London and one to attend the Bristol University.

## PROMINENT WOMEN HERE NEXT WEEK

(Continued from page 6)

may learn something of the only "sun-secure" institute in Canada, where ladies of the Cobble Hill W.I. have kindly offered to serve refreshments, including delicious Island strawberries and cream through the kindness of several donors.

The return trip will be made via the Mill Bay ferry and Butchart's Gardens, concluding with an informal reception at 830 Moss Street, the home David Spencer Sr., where all members and friends are cordially invited to meet the visiting national officers and delegates. The committee expressed their thanks for the very general co-operation of the citizens and to several car owners from various churches, who have already promised cars, thus making possible what it is felt will be a very pleasant and distinctively Victorian entertainment.

Thanks are also due the Pendray Soap Co., who have donated 157 dainty souvenir packets of their manufactures. These will be presented at a banquet in Vancouver on Saturday next with others from many places and industries in British Columbia.

### SOCIAL AND PERSONAL

A delightful dance was held at the home of Dr. Helen Ryan, Battery Street, last evening under the auspices of the University Women's Club, the proceeds being used to augment the bursary fund. Mrs. W. H. Godson, the president, Mrs. E. C. Hart, past president, assisted Dr. Ryan in receiving the guests. Neary's orchestra supplied the music.

"IT'S THE TOBACCO THAT COUNTS"

## YOUR BABY and MINE by MARY MEYER ELDRED

Mrs. Eldred will be glad to answer all questions pertaining to babies and children. A stamped and self-addressed envelope forwarded to this office will bring a personal reply.

### GROWING HAIR ON BALD HEADS

Mrs. H. A. J. writes:—"In a recent issue of your column I saw that Mrs. L. W. asks what she shall do for her twenty-one-months-old child who is almost bald. I know personally of a child of three who was not only entirely bald but shiny, not a spear of hair and never had had any. In a year's time her mother grew a nice head of hair, long enough to touch her collar, by a free rubbing with yellow vaseline and a good massage. She did this every day or every other day. She said she learned this from a friend who did the same with her child who was bald, and with the same result. I know it will do the same for men, if they are not shiny bald."

### ANSWER

Vaseline bears the reputation of being a good hair grower. Personally I do not think it makes much difference what grease is rubbed on the head for it is not the grease which does the trick but constant stimulation from the massage. The use of a grease increases the ease with which the massage can be done and keeps the scalp clean and free from dandruff. I firmly believe that any grease which a person would use consistently every day or every other day would have had exactly the same effect. Also the growth of the hair is indicative of the health of the person. An under-nourished person will tend to have brittle, lustreless, thin hair. Also different nationalities have different types of hair, some more luxuriant than others, because coarser. One must take into consideration all these factors and it would be unwise to attribute to vaseline all the success which undoubtedly came from the massage and the diet combined. All, or almost all hair tonics would be successful if the persons using them would massage as faithfully as did your friend. The trouble is that if the hair doesn't show a marked improvement in a week's time the average user of the tonic says, "It's no good" and stops. So in advising your bald friends to use vaseline, be sure and tell them that

it has to be rubbed on faithfully every night with a good massage.

Entertain Aged Women.—The Young Peoples' Society of Sidney gave a delightful entertainment to the inmates of the Aged Women's Home on Tuesday evening. The programme consisted of the following numbers: Girls' chorus, recitations by Mr. Fralick; mouth organ solo, Miss St. Louis; vocal solo, Jean Speedie; violin solo, Fred Wilson; vocal solo, Kathleen Waitt; mouth organ solo, Bill Owens; solo and antics, Mr. J. Rowton; piano solo, Florence Hamby; dance, Mary Thornley; saxophone solo, Mr. Reg. Bewick.

All advertising in Constantinople except that in daily and weekly newspapers, has been taken over by the city, which will control it hereafter.

## A Martyr to Rheumatism Finds Relief

I-ON-A-CO,  
1113 Government Street,  
Victoria, B.C.

Dear Sir,—

Since last October I have been a martyr to rheumatism. My foot was so swollen I was unable to wear a shoe and I could not lift my right arm as high as my head. After spending one month in hospital without receiving any benefit, I was convinced that my case was hopeless. A friend of mine told me that she had been relieved by the "I-ON-A-CO" Belt. I have been taking one treatment a day with the "I-ON-A-CO" Belt for the last month, and I can honestly say that the rheumatism is greatly relieved, and I now do my household duties, tend my chickens and water the garden without effort. Also I sleep much better, and my general health is greatly improved. I enclose my address so that anyone wishing to corroborate these statements may do so.

Yours sincerely,

F.M.S.

Victoria, B.C.

### AN INTERESTING TEST OFFER

Our special offer is one that will find ready acceptance by every sufferer. Come in to-day and ask us about it.

# Marvelube

now comes  
in a Handy  
Container

Advantages of  
buying Motor  
Oil in this  
SEALED  
QUART  
CAN

MARVELUBE MOTOR OIL is now obtainable in an attractive Quart Can—selling at an advance of only 5c per quart over the "bulk" price.

Marvelube—whether in large steel drums, in small cans, or in bulk—always adheres to the high standard which made it the choice of 200,000 motorists within twelve months of its introduction.

Not only is the quality of the oil rigidly maintained; the dependability of Marvelube extends also to the designation of its six distinct and separate grades.

Every container holds the exact grade that is marked on the outside. A careful system of grade separation ensures this very important safeguard—so that every motorist, no matter where or how he buys Marvelube, can be sure of having in his crank-case the exact grade specially selected by our engineers as affording the highest form of protection for his particular engine.

IMPERIAL OIL LIMITED

1 When you are going on a trip the sealed Quart Can—carried under the seat or in the package compartment—is available as a replenishment of the same good oil that is already in your crank-case.

2 Keep a few Quart Cans in your home garage at all times—you will find both convenience and cleanliness in using them to replenish the oil supply in your car as needed. No fussing with a big clumsy can—no funneling—no oil drip. You just pour in the contents of a Quart Can—and the job is done.

3 It is just as important to have your car lubricated with the correct grade of oil as it is to have in your crank-case the proper brand of oil. Therefore, you should always keep in your car several of these sealed quart cans of Marvelube Motor Oil—to provide against the possibility of being suddenly so placed (on a long country run) as to find the grade you use not immediately obtainable.

4 This Quart Can is an absolute protection against substitution—it is sealed, and the seal must be broken before the contents can be poured out. If you wish to be absolutely sure you are getting genuine Marvelube, the sealed Quart Can is your safeguard.

### AIRMAN CHAMBERLIN WAS PREPARED

Berlin, June 10.—Clarence D. Chamberlin, pilot of the transatlantic monoplane Columbia, told newspaper correspondents here yesterday what he would have done had the engine failed or had he, for any other reason, been forced to descend on the ocean.

"In the first place," he said, "we had the landing gear so adjusted that we could have dropped it quickly."

"Secondly, I planned to let out all our fuel through a valve at the bottom of the tank, and then close the valve again. The tank, filled with air, would have kept us afloat indefinitely, provided the weather was not too bad nor the waves too high."

## \$1 Bill FREE To the First Boy or Girl

A \$1 bill will be given away absolutely free to the first boy or girl who enters the store Saturday morning after 10 o'clock with the correct number of pairs of shoes on display in our Men's Window, marked in the space below. All you have to do is to come down and look them over and mark down the exact number in the space. It will just take about three minutes and you will win a \$1 bill. Every contestant will get a consolation prize as well whether exactly correct or not, so don't miss this. I wonder whether the BOYS or GIRLS are the smarter?

### RUNNING SHOES

Our prices on Shoes are worth looking over, too. The remarkable prices on all are certainly surprising.

Children's Canvas Sandals with the famous "GRISTLE" soles (lowest wearing yet) at 75c. up to 10c. Then we're selling a lot of the famous Gristle sole

### BASKETBALL SHOES

for boys (all sizes) at \$1.45 per pair, others at \$1.95 and \$1.45 (all our Running Shoes are fully guaranteed and fresh this year's stock). Our

### MEN'S WORK BOOTS

\$1.25.45 are certainly a startling bargain. They have solid leather soles and genuine mule hide uppers. Just the boot for the farm, sizes 6, 7 and 8 only. Then we've Men's Canvas Shoes, all sizes, in brown color with leather strap and toe-cap, also rubber heel, at \$1.25. (less than a shoe-maker's half sole). Our prices on Men's Boots are away down, at actually less than cost of manufacture in many cases. \$2.95, \$3.45, \$2.95 and \$1.95. At \$2.95 we are selling the famous "Brooklyn" Oxford in tan calf. These are Goodyear welted in English Brogue and plain Derby styles, and are actually worth \$4.00 a pair. We have

### LADIES' SHOES, 19c

a pair, 20c, 40c, 50c and \$1.00, all in white canvas. All sizes in same style (values here to \$3.50). Then every lady can save from \$2.00 to \$4.00 on her footwear requirements by buying at STEWART'S during the great SALE.

## ENLISTS SUPPORT FOR JUBILEE PLAN

C. J. McDowell of Executive Committee Gives Draft of Programme

Speaking on behalf of the Diamond Jubilee executive committee, C. J. McDowell last night on the city series of broadcasts, C. J. McDowell gave an outline of the programme being prepared for the celebration. Mr. McDowell said, in part:

"On the morning of July 1 there will be a grand sports meet, taking in all branches of field and track events. In the afternoon the greatest parade ever assembled in Victoria will begin its line of march through the streets to Beacon Hill. In the parade will be a historical pageant of ten floats, each depicting a scene in the national history of Canada. There will be over 100 floats in the parade altogether, the whole pageantry of which will be in keeping with the wonderful occasion it has been designed to commemorate."

"It speaks well for the public spirit of our leading citizens that already the entire historical pageant section of the parade has been taken up, and the floats are now in course of preparation. Esquimalt, Saanich, Oak Bay and many districts outside of Victoria are joining hands to put on a celebration with Victoria that will live long in the memory of those privileged to take part in it."

"On the evening of July 1 a grand water tournament will be staged in the Inner Harbor, with unlimited accommodation for spectators. There, for the first time in the history of the city, Vancouver Island logging championships will be opened with an exhibition of log rolling. Expert lumbermen from Island woods will also compete for the log-chopping trophies."

"Starting and finishing at the Causeway, also on that evening, will be the twenty-six mile marathon race, which is drawing a great deal of attention. Fireworks will conclude the programme at the Inner Harbor."

"At 9 p.m. on July 1 a grand costume ball will be opened at the Empress Hotel and will be one of the most brilliant features of the programme. Due to the already heavy inquiry for tickets for this affair the number of tickets to be issued will be limited to 400."

"On the morning of July 2, Canada's national game of lacrosse will be seen at the Royal Athletic Park, where a picked Victoria team will meet New Westminster players in an all-star feature. There will be other attractive features at the park to round out the morning."

"On the afternoon of July 2, over 2,000 school children from forty Victoria and district schools will take part in a wonderful pageant at the Willows, showing the growth of Canada, province by province, following the days of Confederation, when amity and concord succeeded earlier troubles and paved the way for sixty years of untarnished progress down to the present day."

"The school children have entered into the pageant wholeheartedly, and will put on a spectacle never to be forgotten by all who see it. There will be seating accommodation at the Willows for many thousands of people, where an ambitious programme will be carried out until early evening."

"Baseball, commencing at 6 p.m. on July 2 will draw its own devotees in an all-star feature. Later teams from the Victoria Fire Department will be seen in splash ball—a form of gigantic push ball played with a four-foot wooden ball and fire hoses. In the evening there will be a carnival at the Armories, where elaborate arrangements have been made to provide a form of entertainment that will have tremendous appeal."

"On July 3, Sunday, special services are to be held in all churches, together with other plans now maturing. In the afternoon there will be a massed ceremonial at Beacon Hill Park, where massed choirs of over 1,000 voices and massed bands will take part in a grand musical finale to the Diamond Jubilee celebrations."

"In closing I would like to say a word as to the support expected from citizens in the Diamond Jubilee effort of Greater Victoria. The committee has worked out a plan whereby donations to fit any purse may be made in a form that insures a return for the money. Tickets will be sold in three classes, covering all entertainments, the grand costume ball, and any combination of features desired. This, with the sale of decorating transfers for window and car decoration, form the principal means of financing the programme."

### Bishop Opened Successful Fair At St. Alban's

The Bishop of Columbia delighted the conveners of the Old Country Fair when he graciously consented to open the function held in the building and surrounding grounds of St. Alban's Church Hall, Wednesday. The grounds were gaily decorated with flags and replete with all the attractions which had been previously prepared under the direction of A. W. Sharpe and committee.

The rector, Rev. Norman E. Smith, was present with Mrs. Smith and family, Major, Rev. W. Barton and Mrs. Barton and Rev. W. Carroll, Rev. John W. Leighton, chairman, the Ladies' Guild, through Mrs. Barton, its president, and the church committee wish to express their gratitude to the public for their generous support, and the many willing helpers who devoted the day to augment the building fund of the Church Hall, and to especially thank the following: Mrs. D. Swan and Mrs. E. Andrews, in charge of ice cream stall; Miss Sharpe and Miss Usher, for sale of candies and soft drinks; Mrs. T. Hodges and W. Clare, for conducting the bazaar; Mrs. Simmonds, Mrs. Orendson and Mrs. Vanehey, for distributing hot dogs; D. Swan, for conducting the football game; E. Bridges, for running the beer

bag board, sale of balloons and general fun, arrayed as a clown; W. Gibbs, for organizing the ball and barrel game; R. Andrews, for controlling Aunt Sally; Mrs. Fred White, for character reading; George Bridges, for staging the coconut shies; the Protestant Orphanage, for loaning the bucking broncho, which caused much amusement; Victor Smith, Charles Sharpe, Harold Gent and other boys for furnishing "nigger in the hole."

Special commendation is voted to the boys who very capably manned the shows during the afternoon, the Armories for loan of tables, J. Comber for transport, Mrs. V. Banister for loaning gramophone, and Miss Mary Banister for running it. Chief of Police for permission to Constable Jones to attend.

Afternoon tea was served in the hall, the tables being charmingly arranged with roses, poppies, and columbine. Mrs. W. Duncan was in charge, ably assisted by Mrs. George Bridges, Mrs. Trickett, Mrs. Baron, Mrs. Gallop and other helpers.

A large crowd attended during the evening, and a carpet bowl competition was arranged by E. A. Carey and J. Baron. Forty players taking part, amid much enthusiasm. The cafeteria supplied with great appreciation, being conducted by Mrs. Wm. Duncan and com-

## GINO LUCETTI IS ON TRIAL IN ROME

Young Anarchist Tells How He Threw Two Bombs at Premier Mussolini

Rome, June 10.—With neither remorse nor defiance in his voice, Gino Lucetti, young Italian anarchist who went on trial yesterday for an attempt to assassinate Premier Mussolini last year, recited in colorless tones a full confession of his guilt to the members of Fascism's supreme military tribunal.

"It was in December, 1922, at Marcellus, when I heard of the murder of Turin of several Italian workers," the tall, pleasant youth said quietly, "that I decided to return to Italy to kill one of the leading exponents of Fascism." In January, 1923, Lucetti said, he

came to Italy with the intention of assassinating the Premier, but on realizing his plans were imperfect, he resolved to postpone the attempt in the hope that a spontaneous uprising against Fascism would make it unnecessary.

"I told none of my friends of my scheme, and had no accomplices," Lucetti declared.

**ASHAMED OF WEAKNESS**

Questioned by the prosecutor, he answered with an air of pride that he always had been prepared to sacrifice his life, saying his attempt to flee after he had hurled two bombs at the motor car of the Premier was the result of a moment of weakness for which he was ashamed.

Lucetti, who is a well built youth, nearly six feet tall, with longish hair and small sensitive features that never lost their expression of resigned seriousness, appeared in court dressed in unpressed white duck trousers, a colorless shirt, a baggy coat, no socks and battered shoes.

Leandro Scro, a waiter in the hotel where Lucetti lived, and Stefano Vatteroni, who are also on trial charged with complicity, entered categorical denials of the accusations against them.

## AIRMEN SEARCH FOR NUNGESSER PLANE

First Day's Flying Over Newfoundland Brought no Results

St. John's, Nfld., June 10.—Undismayed by the first day's failure, Major Sidney Cotton was eager to-day to renew his aid search for Captain Nungesser and Major Goll, missing French Transatlantic fliers, who are believed to have met disaster somewhere near this island.

Major Cotton yesterday flew his big monoplane, the Jeanne d'Arc, over the rugged coastline and interior of the great wedge of land that has as its salient this city. Harbor Grace, twenty-five miles northwest, and the southwestern shore of Piacentia Bay, 120 miles to the southwest.

From scattered communities in this area came persistent reports of a humming aeroplane, and varying accounts

**With Roast Beef**

Hot and juicy, or sliced cold, roast beef needs mustard. A dash of Colman's Mustard, freshly mixed, improves this good meat and renders it wonderfully appetizing.

aids digestion.

of strange explosions and troubled motors on May 9, the day the French fliers were due to reach this side of the Atlantic on a route that was believed would take them over this island on their way from Paris to New York.

The relief plane spent three hours in the air yesterday afternoon, but Major Cotton and his companion could discover no trace of wreckage or any other clue.

The search expedition was organized in New York.

**PAGES FROM CANADIAN HISTORY**

**PRAIRIE GREYHOUNDS**

C.P.R. "No. 1," WESTBOUND

I swing to the sunset land—  
The world of prairie, the world of plain,  
The world of promise, and hope, and gain,  
The world of gold, and the world of grain,  
And the world of the willing hand.

I carry the brave and bold—  
The one who works for the nation's bread,  
The one whose past is a thing that's dead,  
The one who battles and beats ahead,  
And the one who goes for gold.

I swing to the "Land to Be,"  
I am the power that laid its floors,  
I am the guide to its western shores,  
The key to its golden doors,  
That open alone to me.

C.P.R. "No. 2," EASTBOUND

ing to the east from: old seas, trees, etc.

*The poem in the book reproduced above is from "Flint and Feather," by E. Pauline Johnson. Published by the Macmillan Book Company Limited, Toronto.*

**T**IME was, when Home was East, and Adventure lay West. Civilization had a Frontier in those days, sometimes not far behind the great centres of population. The railroad has changed all that. Whether heading towards the Atlantic or the Pacific, today's trains are always carrying the Outward Pilgrim as well as the Homeward Bound.

The Canadian Pacific has fostered travel, not only for business, but for pleasure and education. Its elaborate passenger service has often included special trains for those who desire to know more about their own country.

Personal contacts and first-hand information promote that wide sympathy and appreciation, that breadth of thought, which must underlie national harmony. Travel aids towards a better understanding between the people of our widely separated areas.

What sagacity it was that built spacious hotels in the just-reclaimed wilderness, and what energy it was that promptly filled them!

Moreover, the Canadian Pacific, by thus providing comfortable transportation and attractive resting places, and by acquainting the world with the

wonders of the Dominion, has induced thousands annually to visit this country, carrying back to their own lands a personal knowledge of Canada; investors and settlers have been created; and, thus, a deeper sympathy has been established between Canada and other nations.

And the Canadian Pacific has stimulated Canadians to travel in foreign lands, and has provided Canadian ships to convey them to the ports of the world, and to carry the Canadian flag over the seas.

IT SPANS THE WORLD

## FACTIONS CLASH AT RATE INQUIRY

Neither Ontario Nor C.N.R.  
Will Recede on Estimates  
For Coal Carrying

Ottawa, June 10.—The relation of operating ratio to the determination of a fair profit on rail shipments of a certain commodity was discussed before the railway board yesterday when the hearing into the cost of transporting Alberta coal to Ontario was resumed.

Commissioner MacLean questioned George W. Oliver, Chicago expert, who began his third day on the witness stand for the Province of Ontario. The commissioner inquired whether the witness had ever been called upon to study what constituted a fair profit in regard to "out of pocket" costs.

Mr. Oliver replied that in a general way the practice in the United States was to allow a return of five and three-quarter per cent on an operating ratio in the neighborhood of seventy to seventy-five per cent.

The commissioner asked whether any rule had been set for a fair return on the movement of any separate commodity as distinct from the general traffic of a railway.

**NO GENERAL RULE**  
The witness said that no general rule had ever been made in regard to that problem. He thought that the application of the operating ratio as the factor for determining a fair profit was a reasonable, though not exact, method. He thought that if the whole freight rates structure was being set anew there would be no question but that rates on lower grade commodities would be made to bear a lower rate than high grade commodities.

E. P. Flintoft, K.C., C.P.R. counsel, brought out that a property value was high, or the volume of low grade traffic predominated on a railway, the operating ratio would be correspondingly high.

**LARGE RATIO**  
It was brought out that the operating ratio on the Victoria Railway, a large coal carrier, was 62.40 per cent in 1925 and 55.45 per cent in 1926. The witness thought this figure would fairly represent the ratio on a road equipped for the most economical handling of coal.

Cross-examination of Mr. Oliver was concluded and E. P. Flintoft, vice expert for the C.N.R., succeeded him. Mr. Mallory prepared an estimate for the railway of "out of pocket" costs of handling Alberta coal to Ontario. His estimate was \$7.89 a ton, with possible additions to bring the amount to \$8.95.

**EXTRA COST**  
At the outset of his testimony Mr. Mallory held that it would be impossible to handle any great volume of coal traffic without additional equipment. Such extra cost to the railways was not expected within the inquiry was ordered, he said.

The witness said his estimate was based on the operations in 1926, which, so far as the West was concerned, was the best in the history of the railway.

"Have you any indications that the 1927 results will not be so good?" Mr. Fraser, C.P.R. counsel, asked.

**1927 TRAFFIC LOW**  
The witness said that he had, that the 1927 traffic to date was much below that of 1926 and that unless there was an exceptional drop in the West, the 1927 results could not possibly be as good as 1926.

He used this situation as an illustration to prove that conditions were not stable and estimates based on 1926 figures could not be taken to apply rigidly to every year.

Yesterday's testimony further demonstrated that there would be no decision by either the C.N.R. Railway or the Province from the estimates presented. The testimony of Mr. Mallory clashed with that of Mr. Oliver, particularly as to repair costs for cars used in transporting coal and the average load which such cars would carry.

The estimates of these witnesses covered the cost of a movement of 1,000,000 tons over the C.N.R. between the same points.

**SURVEY OF METHOD.**  
Mr. Mallory was on the stand for the greater part of the afternoon session, during which time he gave a careful survey of the method by which he reached his estimate.

He allowed, he said, for a 3.6 per cent increased cost due to recent or pending wage adjustments.

Mr. Mallory estimated that with shipments of 1,000,000 tons of Alberta coal to Ontario the net operating revenue to the railway on shipments of United States coal which would be displayed, would total \$1,388,080.

Including a profit on operating cost to provide all income changes and reserve, Mr. Mallory estimated that on the 1,000,000-ton shipment, the additional cost to the railway would total \$10,797,161, if surplus or idle grain equipment were used.

This would amount, including a fair profit, to \$10.62 a ton. Without the profit the "out-of-pocket" cost of transporting Alberta coal would be \$9.96 a ton. Mr. Mallory's estimate of a fair profit was figured at a rate of 8 1/2 per cent on a 70 per cent operating ratio, which resulted in a figure of \$1.18 a ton.

Mr. Liddy took the stand shortly before adjournment and began an explanation of the statistics which he had prepared. He will continue when the hearing is resumed to-morrow.

## SOUTH AMERICAN SERVICE MOOTED

C.G.M.M. Plans Regular Run  
Between This Coast, Mexico  
and South America

Heavy Trade With Mexico  
and South America Will be  
Promoted by Plan

The Canadian Government Merchant Marine Limited is now working on plans for the establishment of a regular steamship service between Vancouver and Victoria, Mexico and the west coast of South America. B. C. Kealey, manager of the C.G.M.M., stated here this morning.

Mr. Kealey arrived from Vancouver on the midnight boat on a visit to the local office of the company. Although no definite scheme as to schedule and ships to be used has yet been drawn up, the C.G.M.M. is working in conjunction with the Department of Trade and Commerce on the project and definite results are hoped for.

Most of the business, it is understood, will be done with Chile and Peru, while calls will be made at Manzanillo and Mazatlan, Mexico. Many commodities are now imported through the United States from Mexico and are credited to the United States in trade statistics. This trade amounts to millions of dollars annually, it is stated, and with the proposed service in operation it would all flow into Canada through the western entrance to the Dominion.

Among the commodities offered in Mexico are oranges, spices of many kinds, coffee, high grade precious metals and hardwoods. Flour, lumber, canned salmon, box shooks, sacked grain, apples and dried fish could be included in exports to South America. It is thought probable in Vancouver that a new Canadian trade commission office will be opened on the South American coast to handle such business.

## OLYMPIC STARTS RUN TO-MORROW

Auto Ferry Service Between  
Port Angeles and Victoria  
Commences; Excursion

St. Olympic, the auto ferry operated by the Puget Sound Navigation Company, will make her first run of the season between Port Angeles and Victoria to-morrow morning.

The Olympic will arrive here this evening from Seattle and will make her first trip at 9 o'clock to-morrow morning from this port. She will leave Port Angeles on the return voyage at 11:45 a.m., returning again from here at 3:30 p.m. She will make the last trip of the day from Port Angeles at 6 p.m.

On arrival here in the evening, the Olympic will be made ready to take the City Temple Ladies' Aid moonlight excursion to Roche Harbor. She will leave here at 8 o'clock on this trip, returning at 11:45 o'clock.

Len Area and the City Temple Band will supply music for the moonlight trip and refreshments will be served from a specially arranged buffet. Tickets may be procured from Fletcher Brothers, Stevenson's Store, Puget Sound Navigation Company's office on Government Street, and the City Temple office.

## PARTY ON STEAM YACHT OAXACA GO TO CAMPBELL RIVER

Bound for Campbell River where  
Captain G. Allen Hancock and his  
party hope to enjoy the pleasure of  
pulling out "big one" and become  
a member of the world-famed Tye  
Club, the steam yacht Oaxaca,  
which has been in port here since  
Wednesday en route to Alaska, left  
this morning at 9 o'clock.

On the way up the coast Capt. Hancock also intends to visit Powell River.

## FUTURE EXPLORATION TO BE DONE BY AIR

Road Amundsen Abandons  
Further Exploring and Will  
Retell Exploits

Trip on Norge Was Mistake,  
Says Famous Explorer; Will  
Not Learn to Fly

Even exploration, the oldest urge of mankind, has succumbed to the expediency of modern methods of travel, and in aviation lies the future discovery of new lands, declared Capt. Roald Amundsen of Polar fame, who sailed from Victoria last night for Japan. For this reason Capt. Amundsen has abandoned any plans for further exploration and will content himself for the present with retelling of his exploits.

His present journey to Japan is for the purpose of delivering a series of lectures in the principal Japanese cities. "Exploring will all be done from the air in future," declared Capt. Amundsen. "I am too old to take up flying, and I do not intend to start anything which I can not carry out myself. My trip on the Norge was a mistake. Commander Noble was a flyer. I am an explorer. We did not see things alike."

## New Coastguard Cutter For Coast

Washington, June 10.—The new coastguard cutter Northland, which is to succeed the historic Bear in the Bering Sea patrol, left here yesterday for the Pacific coast. The Northland will proceed to Arctic waters from Seattle and on her arrival the Bear will be assigned to other duties.

Canadian Winner—Left Sydney for Vancouver, May 25.  
Canadian Coaster—Arrived Ocean Falls, June 2.  
Canadian Farmer—Left Ocean Falls for San Pedro, May 30.

## WILL LAUNCH SEINE VESSEL

Beechy Head, Fifty-six Foot  
Boat, Will be Put in Water  
Next Tuesday

Built by Victoria Motorboat  
Works For Sidney Canning  
Company

Built by the Victoria Motorboat Works, local shipbuilders for operation in Vancouver Island waters, a new fifty-six-foot seine boat will be launched next Tuesday, according to an announcement made this morning by Sidney Canning Company.

The new vessel, which is the standard type of seinig vessel, was built for the Sidney Canning Company, and has a fourteen-foot beam. She will be driven by a fifty-horsepower Union gas engine. There is a noticeable tendency toward the installation of gas engines in seine boats instead of the familiar Diesel type, said Mr. Foster this morning. The latter type does not slow up so quickly.

The Beechy Head, as the vessel will be named, is of staid construction, and has comfortable accommodation for a crew of seven. The final touches are now being put on her, and she will be ready for operation soon after she is in the water. It is the third seine vessel to be built by the local works.

The Klemm Cannery, a cannery recently launched by the Victoria Motorboat Works Wednesday night, was to have her trial trip to-day.

## GRAIN SHIPMENTS ESTABLISH RECORD

Western Canadian Consignments to Montreal Greatest Yet During May

Port William, Ont., June 10.—Shipments of Western Canadian grain through Port William and Port Arthur to Montreal, Buffalo and United States Atlantic ports during the early part of May, established a new record, according to a report issued by E. A. Unsell, statistician, to the board of grain commissioners.

"The heavy movement continues until almost the middle of May," states the report. "At Montreal, also, the shipments for the month of May were higher than ever before, totaling almost 35,000,000 bushels. This heavy export movement has absorbed a very large proportion of the Canadian wheat surplus."

"The export demand has fallen off considerably for the time being, but as arrivals of 'on passage' wheat are entirely inadequate, compared with indicated requirements in Europe, North America will be required to provide the balance for some weeks yet, at least."

## TIDE TABLE

## UNIVERSITY AFLOAT IS NOVEL FEATURE

Educational Trip on Cunard  
Liner Ausonia Will Take  
Six Months

Universities are going down to the sea in ships. The Cunard liner Ausonia sails September 21 from New York as a co-educational institution, her decks transformed into tropic classrooms, a university library stacked on her shelves, and carrying a university faculty of fifty "hand-picked" men and women.

From the point of view of a broad cultural education as well as the promotion of international friendships, education on the high seas has proved an interesting experiment. Perhaps no group of travelers were ever better equipped to see the world intelligently than the members of the university fleet. The close personal contact between student and professor, the contact with age-old civilizations and the unforgettable sights and experiences in the four corners of the globe will immeasurably enrich the lives of the students. Every place the university fleet touches port, from West to East and back again, its members are received with hospitality and enthusiasm.

The university fleet represents a distinctly new departure in education, with opportunities for study and investigation unique in history. On the long stretches of ocean voyages between trips abroad, practical training is supplemented by regulation textbook lecture method of study, and by arrangement with home colleges, students receive credit for their work on the seven seas. They have direct contact with universities in foreign ports and new sympathies, new allegiances, new appreciations and interests are gained from association with the culture and peoples of other lands.

Dr. Thomas W. Butcher, president of Kansas State Teachers' College, has been appointed president of the Floating University Ausonia, which is at the present time being transported into a 1927-28 Alma Mater under the direction of Anthony Cunard. Although he regards the future about co-education on the high seas as "much ado about nothing," Mr. Cunard is making the Ausonia a practicable college campus, dividing the cabin-dormitories into entirely separate sections for men and women.

The university fleet will spend six months on the high seas and two months touring the continent, remaining in shore fourteen days, in Berlin seven days and in Vienna fourteen days. Shore trips are being arranged in conjunction with educational and civic institutions of foreign lands.

## BEATTY QUIET ON RATE CONFERENCE

Makes no Statement at Ed-  
monton on Proposed Round  
Table Meeting

Edmonton, June 10.—While further extensions of the Cuthbert-Whitford Lake Railway line are under consideration, the final decision will be governed largely by the possibilities of the country to be served, stated E. W. Beatty, K.C., president of the Canadian Pacific Railway during an interview shortly after his arrival here on Tuesday evening.

President Beatty was asked for his views in regard to a proposed round table conference in connection with the western freight question. In reply, he pointed out that the Board of Railway Commissioners is now considering a number of applications involving the freight rate structure as applying to various sections of Canada. As the cases are subjudice, it would not be proper for any railway officer to make public statement in connection with any of the applications.

"The Canadian Pacific is ready and willing at all times to discuss freely and frankly with its patrons any matter of mutual interest," declared the president.

Contracts have been let for the grading of the Cuthbert-Whitford Lake line, from the present end of steel to the vicinity of Whitford Lake, a distance of sixty miles, said the president. It is the intention to carry on the work as vigorously as possible.

## Painter Injured In Fall at Trial Island Lighthouse

George Hyme, of 331 Robertson Street, in Jubilee Hospital following a fall from the lighthouse at Trial Island on Wednesday, when he sustained a compound fracture of his wrist and an injured hip. Mr. Hyme was painting the exterior of the lighthouse when he was blown from a ladder by the wind and fell twenty-five feet to the rocks beneath. He was rushed to his home by William Grant and Mr. Griffin who had launches at the island, and was later taken to the hospital where he is resting comfortably.

## MILL BAY F

# SNAALED

A Story of One Wonderful Week  
By MALCOLM DUART  
Copyright 1927

"But how did she come to be here?" demanded the young man. "What's all this about you kidnapping her?" He had recovered from the first shock of astonishment, and now he displayed a marked hostility to Bodey.

"Listen," said the older man. Pierce had refused to take the hand he offered, so now he thrust both hands into his pockets. "Do you want to take Miss Rollins into town with you?"

"That's exactly what I intend to do," said Pierce. "Her father and mother are wild about her—being gone all night and no trace of her. I tell you, if you had anything to do with her disappearance, you'll sweat for it! Where's her automobile?"

"Charley!" cried the girl. "It's all broken up! It's in the back yard."

Bodey swung on his heel and moved his head in invitation for Pierce to come. "Maybe you'd like to see it," he said. "It'll come with you."

Pierce hesitated, eyeing the boy Smith, who had been listening silently.

"Smith! Come, too," said Bodey.

"Don't go, Charley," Nadine urged from her seat in the car. "I'm afraid."

"Nothing to be afraid of now," he said. "I'm here." He started after the man who was walking toward the front entrance.

"Young lady's coat and hat are in the house here," observed Bodey. "Do you want 'em?"

"Of course," said Pierce.

He followed the man into the door, and to the small, dark room. A bed could be seen inside, neatly made, and across the top bar at the head was Nadine's coat. Her hat lay on the pillow.

Bodey stood aside politely and Pierce entered the room.

The door slammed. There was a yell from within as the key turned in the lock.

The young man was a prisoner.

Bodey leaned against the wall and listened, contentedly, to the hammerings upon the door and the violent kicks—that made the heavy barrier tremble.

"Good thing they built these old houses pretty stout, Smithy," he said to the delighted boy who listened with him. "Lots of modern houses would be all apart by this time. This Pierce is a strong young fellow, ain't he? Just listen to him bang that door!"

"Let me out, or I'll dare anybody to tell from this road whether these tires have been over it three times, or six—he have to drive in such a narrow path."

The roadster chugged along at good speed, bouncing a good deal, but kept in the beaten track by energetic use of the steering wheel.

"Aren't you afraid to go on the highway?" she asked.

"Yes, indeed. But that's better than going in the other direction. There are plenty of places beyond your grandma's house to hide a car for a little while—but if it was found, everybody'd know that Pierce was some place around here. I'll dare anybody to tell from this road whether these tires have been over it three times, or six—he have to drive in such a narrow path."

The roadster chugged along at good speed, bouncing a good deal, but kept in the beaten track by energetic use of the steering wheel.

"Aren't you afraid to go on the highway?" she asked.

"Yes, indeed. But that's better than going in the other direction. "Aren't you afraid to go on the highway?" she asked.

"Yes, indeed. But that's better than going in the other direction. There are plenty of places beyond your grandma's house to hide a car for a little while—but if it was found, everybody'd know that Pierce was some place around here. I'll dare anybody to tell from this road whether these tires have been over it three times, or six—he have to drive in such a narrow path."

"Mr. Pierce has got your room now," said Bodey, sauntering forward. His countenance was placid. "He's a quick-tempered chap, don't you think?"

"Why did he come in?" she asked.

"Why did he?"

"Wanted to get your coat," said the man. "He's polite, all right."

Pierce's assault on the door was continued with unabated vigor and he raised his voice in bitter denunciations. "Hard to talk, with all that racket going on," Bodey observed. "Let's step outside." The girl made way for him, and he led her to the corner of the house. "If he keeps on being mad this way, we ain't going to be able to feed him."

"Are you going to keep him, too?" The girl was trembling and her pallid lips were stiff.

"Yep—starting a regular boarding house," said he. "Lady boarder, bad-tempered gentleman boarder"—his keen eyes began to twinkle, and then he laughed. "Look here." He took her by the arm and led her a little further into the yard. "See that old brick building?" He pointed to the milk house, before which the two horses still were nibbling at a diminished pile of hay. "Smithy and I, we'll fit that up special for Mr. Pierce, soon as he gentles down so we can handle him."

"What are we going to do with his little legs?" This was from Smith, who had followed after them.

Bodey turned and surveyed the small car that still waited in the road. "Heck!" he said. "I don't like burying that, too. Do you, son?"

"I should say not!" The boy scowled at the thought. "My back hurts now, the way I slung dirt around last night."

The man rubbed his nose gently.

"What are we going to do with his little legs?" This was from Smith, who had followed after them.

Bodey turned and surveyed the small car that still waited in the road. "Heck!" he said. "I don't like burying that, too. Do you, son?"

## RUN-DOWN AFTER BIRTH OF BABY

Ottawa Woman Made Strong by Taking Lydia E. Pinkham's Vegetable Compound

Ottawa, Ontario.—"I was terribly run-down after the birth of my third baby. I had awful bearing-down pains and was afraid I had serious trouble. I was tired all the time and had no appetite. My sister-in-law, taking Lydia E. Pinkham's Vegetable Compound and cannot praise it too highly and asked me to try it. I have had splendid results and feel fine all the time now. Any one who needs a thorough pick-me-up soon learns from me what to take."—Mrs. RENE PAQUIN, 312 Cumberland Street, Ottawa, Ontario.

## Terrible Backache

Hamilton, Ont.—"After my baby was born I had terrible backache and headaches. I could not do my work and felt tired from the first minute I got up. But worst of all were the pains in my sides when I moved about. I had to sit or lie down for a while afterwards. I could keep my house in order, but many things had to go undone at the time, because of my ailments. I was told by a neighbor to take Lydia E. Pinkham's Vegetable Compound, as she said it would build me up. I was relieved before I had taken the first we bought and have not had any trouble like it since."—Mrs. T. MARKLE, 60 Burton Street, Hamilton, Ontario.

## The naughty little rabbits ran.

to play a trick on her to make her tumble down or something like that. But it must never be! I shall follow those two little tykes of mine to see that they do no mischief."

But as the rabbit gentleman hopped along after the two small bunnies, he knew it could not be the Lady Mouse Teacher of whom they had been speaking. "For Miss Mouse isn't so old that she could not chase any bad little rabbits who made her tumble over," said Mr. Longears to himself. "I must follow Toodle and Noodle."

This he did until he saw the rabbit boys turn away from the path that led them to the Hollow Stump School, and run toward the house where Mrs. Hop, the toad lady, lived all alone. She was a poor, old soul.

"It is a bit nasty to go school-mustard Uncle Wiggily, looking at his watch. 'I wonder if Toodle and

Noodle are going to get a pail of water, or something like that, for poor, old Mrs. Hop?"

But when Uncle Wiggily, hiding behind the bushes, watched his two little bunny boys who did not see him, he saw them go close to a stool that stood in front of the toad lady's hut. It was a toad stool, of course. That is the only kind toads sit on.

"Now you nibble a little and I'll nibble a little," whispered Noodle to Toodle. "And we'll make the leg of this toad stool so weak that as soon as Mrs. Hop sits on it, why it will break and she'll tumble!"

"What fun that will be!" chuckled Toodle.

Uncle Wiggily shut his teeth hard

together and there was a queer look around his pink nose which didn't twinkle any now. Still hiding in the bushes, Uncle Wiggily watched his rabbit boys until, by turns, they had so weakened the stem, or leg, of the toad stool that the least weight of any one sitting on it would break it off.

Having done this the naughty little rabbits ran back and hid in the bushes just as Mrs. Hop came out of her house. Uncle Wiggily was going to call out and warn her not to sit on the gnawed stool, but he was a moment too late: With a sigh Mrs. Hop said: "Oh, I'm so tired! My old bones ache! I must sit down and rest!"

So she sat on the toad stool, but the stem broke and down she tumbled.

Luckily she fell on some soft, green moss and wasn't hurt much. As Uncle Wiggily hopped out of the bushes to help her up, the two little bunnies ran away laughing with glee.

"Something must have happened to my stool," said Mrs. Hop as she looked at it. "Oh, it is broken!" she cried.

"It was broken on purpose!" said Uncle Wiggily. "But I know who broke it and I will make them get you another. You go in your house, please, and stay until I call you."

While Mrs. Hop did this Uncle Wiggily hurried to the Hollow Stump School. He whispered to the Lady Mouse Teacher, who twitched her tail and then called Toodle and Noodle

from their class, saying their father wanted them.

"What's he want?" asked Toodle.

"You will soon find out," squeaked Miss Mouse.

"Come with me, boys!" invited Mr. Longears, not smiling even a teeny, weeny bit. He led the wondering rabbits to the woods where he made them dig up a fine, large toad stool by the roots and carry it to the house of Mrs. Hop. There he made them plant it in place of the one they had gnawed, and when the new stool was in place Mrs. Hop was called out to sit on it, which she did.

"Oh, it is so much nicer than my other!" she croaked. "I wonder why I tumbled off it so suddenly?"

"Toodle and Noodle can tell you," said Uncle Wiggily. The little rabbits hung their heads, and Uncle Wiggily asked:

"How shall I punish them, Mrs. Hop, for playing that trick on you?"

"Oh, I'll forgive them!" croaked the toad lady. "I don't believe they will ever do it again."

"No, we never will!" cried Toodle and Noodle, and they never did. And if the orange spoon doesn't make fun of the lemon squeezer for not being stylish and going to the moving pictures, I'll tell you next about Uncle Wiggily and the lace handkerchief.

Deaf mutes in the United States number nearly 45,000.

## WHEN BANK OF MONTREAL TOKENS WERE USED FOR SMALL CHANGE

FOUNDED before Canada had any currency of its own, the Bank of Montreal in the early part of the Nineteenth Century obtained authorization from the British Government to issue copper tokens for small change.

Reproduced herewith are the two sides of the one-penny token of 1838 and of a "habitant" token of 1837. The obverse of the former shows a picture of the building used by the Bank of Montreal at that time, the obverse of the latter a typical farmer of Lower Canada, now Quebec. The reverse of both coins is the same, showing the arms of the city of Montreal.

Throughout its long history, the Bank of Montreal has always been active in serving the financial needs of the people of Canada, steadily extending its service as the need and opportunity for it arose.

## BANK OF MONTREAL

Established 1817

TOTAL ASSETS IN EXCESS OF \$750,000,000

## \$65,000,000 C. N. R. BONDS PUT ON MARKET TO-DAY

New York, June 9.—The Canadian National Railways \$65,000,000 thirty-year 4½ per cent. bond issue, went to Blair & Company after close bidding with a syndicate headed by the Bank of Montreal and another headed by Dillon Read & Company.

The bidding on the issue was so close that final decision as to who was to be the successful bidder was not made until late in the day.

The issue is to-day being offered

throughout Canada and United States at 98½ to yield about 4.60 per cent. The bonds are unconditionally guaranteed as to principal and interest by the Dominion of Canada. Principal and interest is payable in New York or in Canada.

The chief banks and investment houses of Canada and a score of the chief banking institutions of the United States to-day joined in handling the distribution of the bonds.

## ALBERTA SEES RECORD CROP

Edmonton, June 10.—Excellent moisture conditions are reported almost without exception in all parts of Northern and Central Alberta districts, according to The Edmonton Journal's first monthly crop report for 1927. Cool weather had retarded growth, but notwithstanding this all reports are that farmers are very optimistic for a record crop, and the warm weather which they have been needing has come along in the last three or four days, so that conditions generally at present are excellent.

Wheat is practically all in, and in most districts the greater part of oats seeding has been done. Many districts report all oats sown, but on the other hand one or two backward districts have only 20 to 40 per cent. but these are a distinct minority. Other crops grain seeding is proceeding rapidly and should be completed soon. Some green feed has been sown.

Wheat growth is now generally good,

## Canadian Interests Still Buying Nickel

New York, June 10.—There has been no let-up in the buying by Canadian interests of International Nickel in this market.

tons net, and was built in Oakland in 1902.

Marking the first time that a passenger vessel ever sailed from Oakland to the Hawaiian Islands, the Matson Line Mail is scheduled to leave from the East Bay City for Honolulu on June 22. The vessel will carry out a party of over 100 excursionists making the trip under the auspices of the Oakland Chamber of Commerce.

Mose E. Hunt, general agent for the United States lines on the Pacific Coast left yesterday for Seattle to supervise the change in the location of the company's northern office. He will return here Monday.

## Bering Sea Ship Met Bad Weather

Seattle, June 10.—The first commercial vessel to enter the Bering Sea this season, the steamship W. M. Tupper of the Santa Ana Steamship Company reached Bethel from Seattle in twenty-one days after passing through unusually bad weather. Capt. Wallace Langley, master of the ship, informed the Seattle office yesterday. For three days after clearing Cape Newenham Capt. Langley said he encountered the worst weather he had ever experienced on the sea, and was forced to anchor in the lee of an island. Ice leaving the

Bering Sea was broken up and cleared away by the gale. The ship cleared Seattle May 17.

What is believed to be a Pacific Northwest record has been set in clearing the Walker-Ross Steamship Hakatani Maru for Kamchatka, when a nineteen-page manifest was required to list the cargo for Russian Soviet trading posts.

## EVEN N.Y. MARKETS TO CLOSE FOR LINDY

New York, June 10.—The board of governors of the New York Stock Exchange voted to close the exchange all day Monday in connection with the reception by the city of Col. Charles A. Lindbergh.

The resolution as adopted by the board said:

"Whereas, in connection with the arrival of Col. Charles A. Lindbergh in this city on Monday next, the movement of troops incident to the parade and the tremendous number of visitors which will be assembled in the financial district to greet him, the transferring and delivery of securities will be surrounded with considerable difficulty and risk, be it resolved that the New York Stock Exchange remain closed on Monday, June 13."

The New York curb market also voted to close all day Monday.

The New York cotton market will close at noon.

Detroit, June 10.—While automobile production continues about 10 per cent. under the previous year, this has not caused the larger companies to curtail output. The production total of the industry will show a sharp decline probably later on.

## ZAM-BUK

is the best remedy known for sunburn, heat rashes, eczema, sore feet, stings and blisters. A skin food!

All Druggists and Dealers—50c.

## Few Hurt When Trains Are in Head on Crash

Rochester, N.Y., June 10.—The New York Limited, crack night express of the New York Central Railroad, bound from Cleveland to New York, crashed head-on into two Pullmans, filled with sleeping passengers, on a siding near the station here, about 1 a.m. yesterday morning.

Physicians summoned immediately by railroad officials passed through the cars a short time following the crash but found few needing medical attention.

New York, June 10.—Call money steady, high 4½, low 4, ruling rate 4½, closing bid 4. Time loans firm, mixed collateral 60-90 days 4½ @ 4½, 4-6 months 4½. Prime mercantile paper 4 @ 4½.

## GUARANTEED UNCONDITIONALLY BY THE GOVERNMENT OF THE DOMINION OF CANADA As to Both Principal and Interest

## \$65,000,000 CANADIAN NATIONAL RAILWAYS Thirty Year 4½% Gold Bonds

Dated July 1, 1927

Due July 1, 1927

Interest Payable January 1 and July 1

Principal and Interest Payable in United States gold in New York City or, at the option of the holder, in lawful money of the Dominion of Canada in the Cities of Montreal, Toronto, Ottawa, Winnipeg and Vancouver. Coupon Bonds in the denomination of \$1,000, with the privilege of registration as to principal. Total authorized issue, \$65,000,000.

THE CANADIAN NATIONAL BANK OF THE CITY OF NEW YORK AND G. A. KINNEY, TRUSTEES

PLAN TITLE MATCH  
St. Louis, June 10.—Negotiations for a world's championship ten-round boxing bout between Fidel La Barba, the flyweight titleholder, and Mike Brody of Peoria, Ill., were formally con-

cluded here to-day. Promoter Jack Tippett announced. The bout has been scheduled for June 21.  
Belfast will instal automatic telephones.

New York, June 10.—H. P. Billings, in-day

"We don't like the way in which the market is making 'progress.' Quick advances have occurred lately in a number of stocks in which outside participation is not large, stocks which, so far as public interest is concerned, might be called minority stocks.

"On the other hand, issues in which it might be assumed there is substantial public participation are in many instances 'rotting' members.

"We think that the market is growing much less conservative and much less attractive. We realize that the Street is filled with cautionary advice and we think such advice is justified. It is very much to the point, we think, to make careful appraisal of speculative long positions with the view of separating 'merit' issues from the other kind and sell stocks about whose earnings or industrial outlook there is any question. Irrespective of whether or not such selling would entail a loss. The rallying power of issues which are under a cloud as to outlook is, we feel, feeble.

"In our opinion a large part of the strength at the present time should afford an opportunity for profit-taking, instead of an opportunity to increase long holdings."

New York, June 10.—Whitney to-day says: "While there may and undoubtedly will be a continuance of irregularity, the trend is still up despite some new low records by issues which have been in a rather consistent down trend all year, and are confirming that trend now by breaking through to new lows on first appearance of hesitancy.

"Air reduction indicates even higher prices. From this standpoint stock moves of American Braziers should be somewhat more rapid. Closing reaction on Illinois Central yesterday was a good buying point. Industrial Alcohol indicates a move to higher prices.

"If you bought Park and Tifford I suggest profit-taking as further strength. Still favor Can. A.C.N. and Standard Milling in industrial and Erie in railroads."

New York, June 10.—Black Maloney to-day says: "Profit-taking is going on in a good part of the list, and while this is in process other issues are bid up for a cover."

Marchover and Works to-day say:

"The action of the high-priced rails would seem to indicate the presence of important merger buying again. This is particularly pronounced in Lehigh Valley, Reading and the coal roads."

New York, June 10.—To-day's reports show the Federal Reserve ratio standing at 77.2, against 76.5 a week ago and 75.6 a year ago.

New York Federal Reserve Bank ratio stands at 84.2, against 83.4 a week ago and 82.4 a year ago.

New York, June 10 (By E.C. Bond Corporation Direct Wall Street Wire)—Dealing with the discount rate situation, Whitney to-day says:

"It is difficult to believe that the Federal Reserve would offer any criticism of either loans or the stock market in view of the recent utterances of Secretary Mellon.

"Of all the reports which circulated the one which would appear most logical is that consideration was to be given to the proposal for two rediscount rates—the first for ordinary commercial transactions and a second rate for paper secured by the U.S. Government obligations.

"It is known that there has been some agitation on the part of banks which are heavy holders of the new issues of Government bonds for a lower rate which would permit them to aid in the financing of new low rate issues without being penalized in the event that it was found desirable to rediscount some of the paper acquired in connection with these operations."

After nearly ten years' work, the fifteen-mile automobile highway between Tokyo and Yokohama has just been opened.

### Colwood

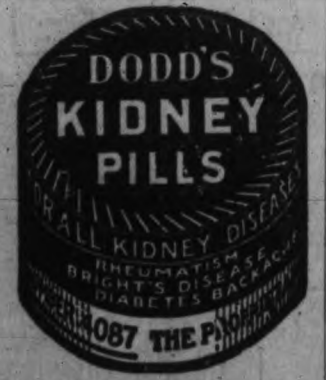

Colwood, June 10.—The Kitchen Cabinet Band of St. Saviour's Church, Victoria West, gave a splendid concert on Wednesday night in the Colwood Hall, under the auspices of the Colwood W.A. to a crowded hall, the seating capacity being filled. The individual solos, with masked band accompaniments, were particularly attractive, while the performance of the conductor was well worthy of note. Mrs. Harper gave an excellent reading, and a monologue presented by a member of the band during the intermission was quite a feature. The whole programme was unique and most attractive and clever and the appreciation of the audience was testified by hearty and prolonged applause and a particularly hearty vote of thanks to the band at the conclusion of the concert.

The evening's entertainment followed a sale of work, with home cooking and candy, etc., held in the afternoon by the W.A. in aid of the church funds, when, among other novelties of entertainment, was a "fish pond." Afternoon tea was served and as a result of the day's efforts a substantial sum was realized for the church.

The Kitchen Cabinet Band have expressed their willingness to again visit Colwood and give another entertainment some time during the Fall, which announcement was received with great pleasure by the gathering.

#### Gifts

First Flapper: "I once knew a girl who could wiggle her ears."  
Second Flapper: "That's nothing. My cousin Nellie is over fifteen and she can blush naturally."

## BEAUTIFUL FLOWER BASKETS

## MILO EGGERS TO FACE HIS TRIAL

Evidence Sufficient to Demand an Explanation Rules Court

Alibi Evidence For Defence Concluded Preliminary Hearing in Hadsel Case

Milo Eggers, accused of participation in the looting with violence of the Canadian gasoline liquor carrier Hadsel on March 4, 1924, at Bedwell Harbor, Pender Island, was committed for trial by higher court at the close of the preliminary hearing before Magistrate Jay in provincial police court yesterday afternoon.

Magistrate Jay declined to voice an opinion as to the weight of the evidence presented to him, other than to say that a case had been made out in which there was sufficient testimony of identification to place the accused on trial. Eggers was removed to Oakalla under guard of the Provincial Police.

J. A. Russell, counsel for the accused, abandoned a number of witnesses that were to have been called, when the court ruled out evidence of a conversation said to have taken place in a Seattle dwelling, said by one witness to have been a speak-easy, and for which the right to extend on rebuttal was denied.

#### EXAMINATION BEFORE TRIAL

Opening the afternoon session Will O. Beardsley, Seattle attorney, told of interviewing Troy Martin, or Feather, as his name was also given to the court, under the United States practice of examining witnesses of either party under subpoenas before a trial. Martin, said Mr. Beardsley, had confessed to him he had told his story identifying Milo in good faith, but that after seeing Milo at Tacoma his mind was shaken and he believed that he had been in error. This had been said in the presence of Mrs. Brown, a sister of Milo, in the office of Vanderveer & Beardsley. Martin went under the name of Feather at that time, said the U.S. attorney.

Mr. Beardsley denied that his office had instituted a country-wide search for Martin or had in any way attempted to get him to change his evidence. He admitted telling Martin to come back to discuss financial assistance. That Martin had been pressing to go East to escape further action in the case, but said that was to insure his presence on a further examination before witnesses when his story could be taken down verbatim. This opportunity did not again occur, said Mr. Beardsley.

#### CRIPPLED WITNESS

O. L. E. Berg, a crippled vendor of sundries, told the court that he saw Milo Eggers at a prize fight at the Crystal Pool in Seattle on the evening of March 4, 1924. The fight had been between Jordan and Dode Barcot. Eggers had a friend with him that witness did not know. Witness was alone. "Half of Seattle had been crazed over the fight," averred witness, who said he saw Eggers enter and nodded to him. Berg under cross-examination said he was unable to recall anyone else who had attended the fight, or the sparring preliminary to the main bout.

Berg asserted his memory was good and offered to identify counsel for the prosecution in Chicago in three years' time, to prove it; but A. D. Macfarlane declined the invitation.

William Gorman, owner of the private dwelling where a conversation between Martin and one P. K. Kelly was said to have taken place, was called but his evidence was ruled out.

Mr. Russell abandoned the rest of his witnesses at that stage, submitting a plea for dismissal on the ground of no identification of the accused as part of the hi-jack band.

Mr. Macfarlane dealt with what he said was evidence of identification, and asked for a commitment for trial.

#### AN INVESTIGATION

"The accused is not on trial before me, but merely here for an investigation," stated the court. "I have already ruled that there is some evidence of identification sufficient to place the accused on trial. Since then the defence has brought evidence of an alibi. I will now express an opinion on that evidence, for were I to do otherwise I would be exercising the right of a trial judge. The accused is committed for trial by higher court." Eggers was removed after opportunity had been given to his wife and parents to say good-bye. Pathetic scenes ensued.

## ELECTION CONTESTED IN ONTARIO RIDING

Walkerton, June 10.—Following an examination at the courthouse here in connection with the South Bruce provincial election protest, which is to be heard before three Supreme Court judges at Walkerton June 22, M. A. McCallum, M.P.P., has written David Robertson, K.C., counsel for the petitioners in the case, offering to consent to a judgment unseating him if this will satisfy the petitioners and preclude any further court proceedings in the matter. Mr. McCallum would pay all costs in the action to date and vacate the seat as Progressive member for South Bruce.

The petitioners, who were supporters of W. D. Cargill, Conservative candidate in the last election, have instructed their solicitor to take the matter up with the three judges assigned for the trial. In the event of judgment being given, rendering vacant the South Bruce seat in the Ontario Legislature, it is understood these proceedings will not disqualify Mr. McCallum from again entering the field for election.

## A Seasonless Spring Compels This Sensational

# SACRIFICE of FOOTWEAR

In all my years in the Shoe Business in Victoria I have never had assembled in any one season such a complete stock of Style Footwear. No effort has been spared to display as complete a stock of the Newest New York styles as can be found anywhere. They are here in all the newest colors and shapes. Every authentic style, every idea in smart footwear that promised popular approval has been stocked in complete lines. BUT—
